East Side High School — Van Buren  
Street  
Newark, New Jersey 07105

# **FACELIFT FOR BUILDING C**

*Restoring and preserving the original aesthetic character of our school will help us all retain treasured memories of how and where we spent a part of our life. Preserving our past also means creating its future.*

EAST SIDE COMMERCIAL  
AND MANUAL TRAINING  
HIGH SCHOOL

*Interesting architectural details have been preserved as illustrated by the photographs on this and the opposite page showing the details of the column, window and doorway.*

# NEW WING OPENS: BUILDING B

*Would you believe a student beating a snare drum and not disturbing anyone? Would you believe baking cookies and not worrying about finding an oven?*

*How about sitting down in front of a computer and figuring out a difficult problem? Put these all together and you come up with a great hoorah, building B is open and ready for students.*

*Our year, 1981, saw the final touches on this new building to our school which made available an environment for learning.*

*Margaret Lavin and Mickey Santiago measuring the weight of water in the new science wing.*

*Edir Concalves enjoys playing the snare drum in new surroundings of room 381.*

*Mayda Valledor demonstrating her cooking ability in our new modern kitchen.*

*The new school year brought the addition of computers to East Side High.*

Here we rest our books for awhile.  
A place for snacks. Our landmark  
across the street. This says it all.  
Our signals to cheer. We wear our  
year proudly.

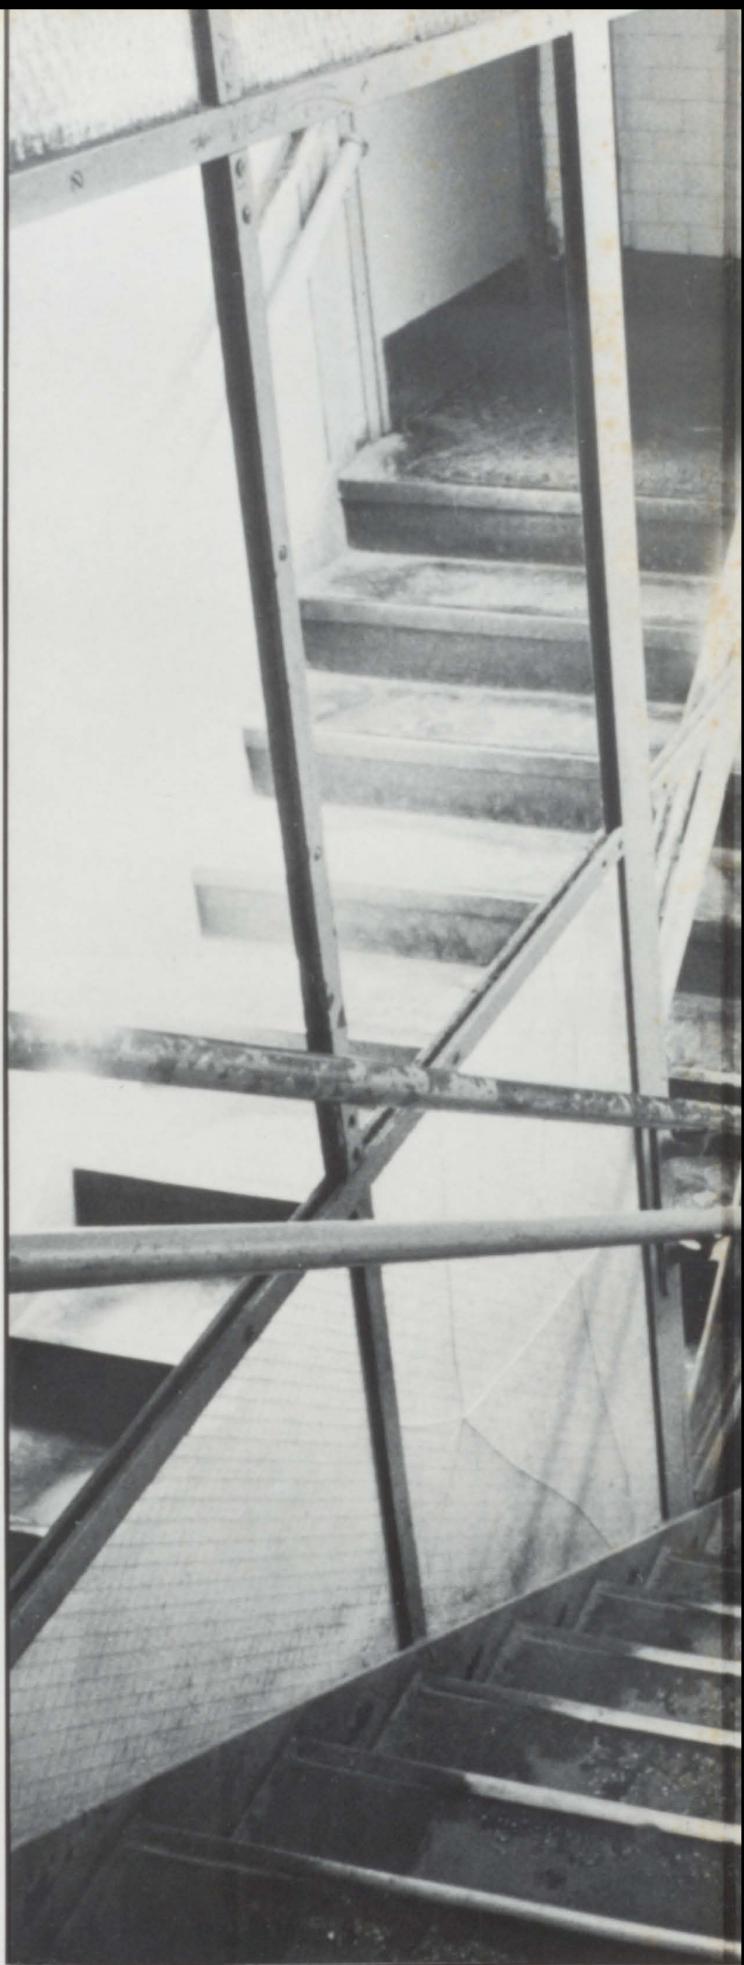

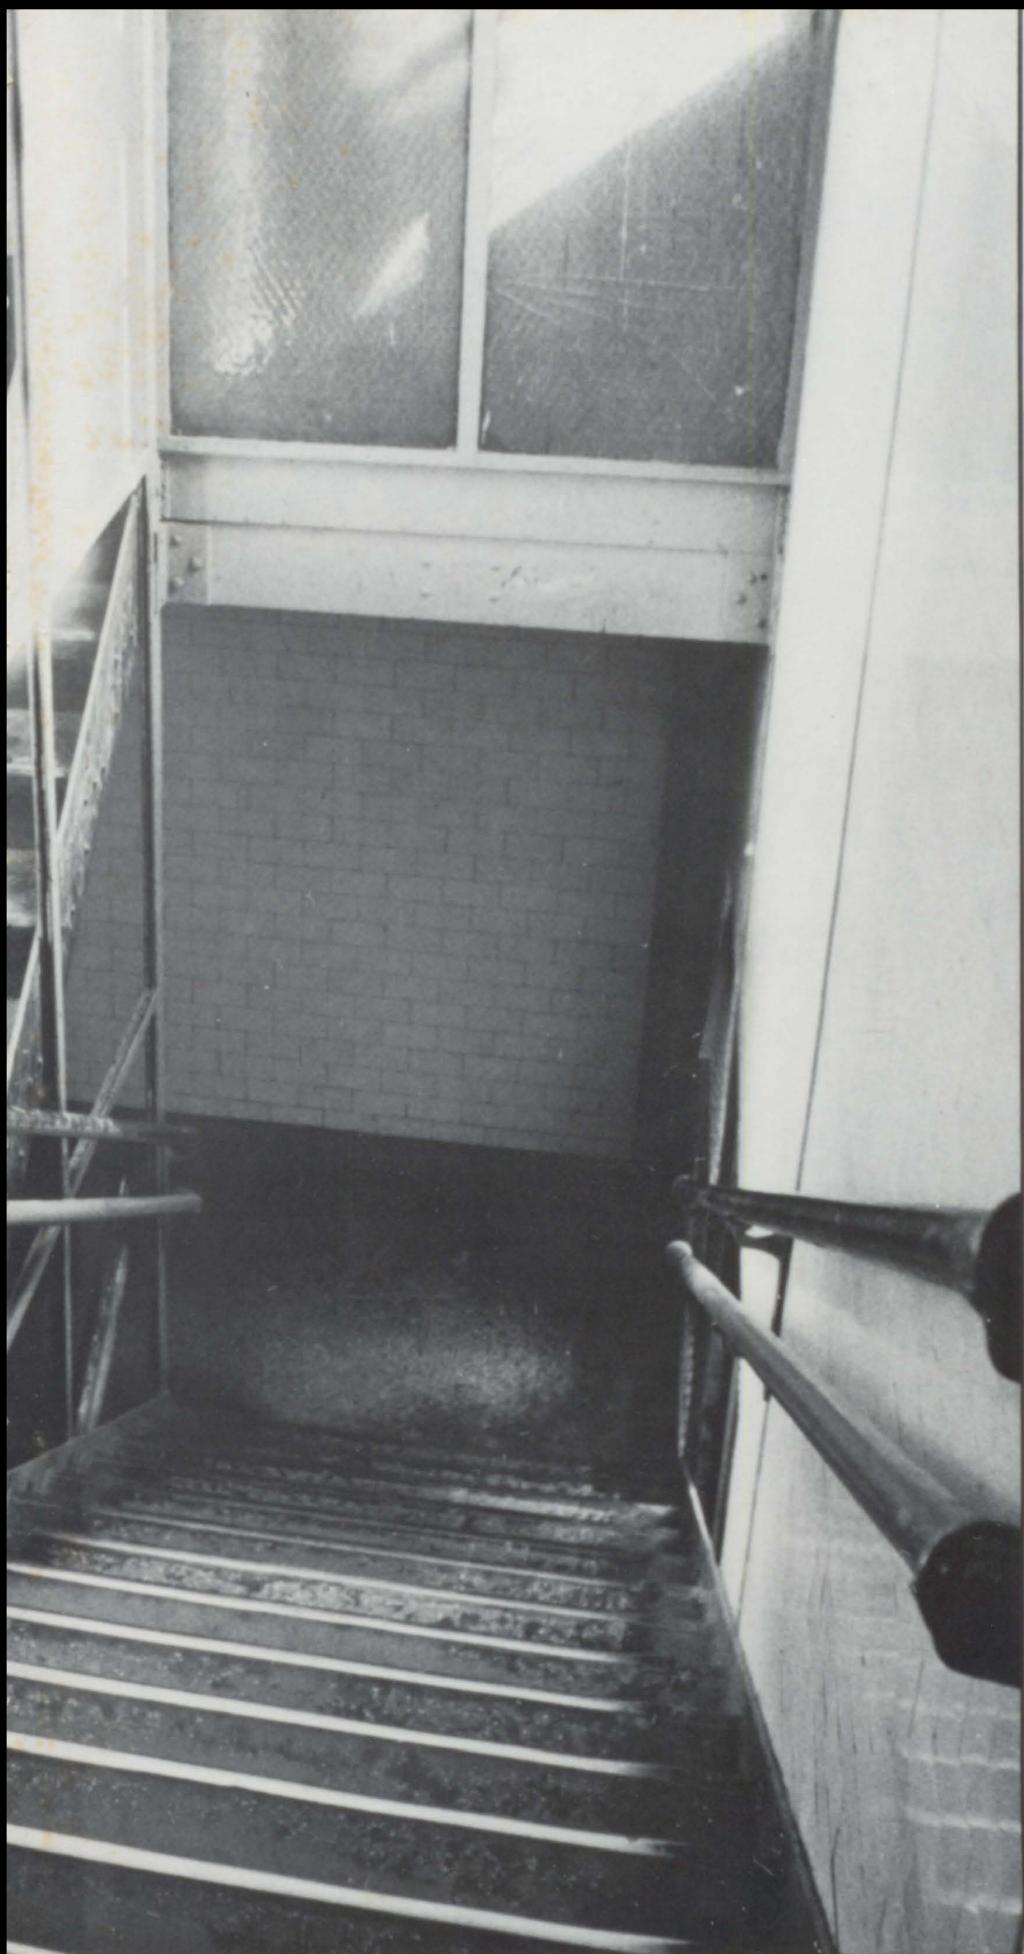

# TIME TO ENJOY

*Zeroing in on treasures that bring home a world of memories and the places and things that inspired them. Relax, enjoy, let them all revive our spirits.*

# VARIETY OF MOODS

#### A Variety Of Moods .....

Describes 1981 Our Year

1981 Our Year A Year that brings events to mind that shaped our future and that of the world. A year like no other year. Our year, a year to remember.

How about those Phillies winning their first World Series? They took the lead in the third inning and never lost it while a crowd of 65,000 roared them on their way.

Would you believe they finally opened Building B? We now have spanking new rooms, spacious and comfortable.

And Building C, you know about building C, happy to report construction right on time.

How about the Student Council addressing itself to the problem of graffiti, you remember graffiti, those designs we thought "cool."

1981-one of those years that will probably fade away with time, but always will remain a special memory to the students at East Side High School who experienced it.

Juan Cabrera, enjoying a relaxing moment.

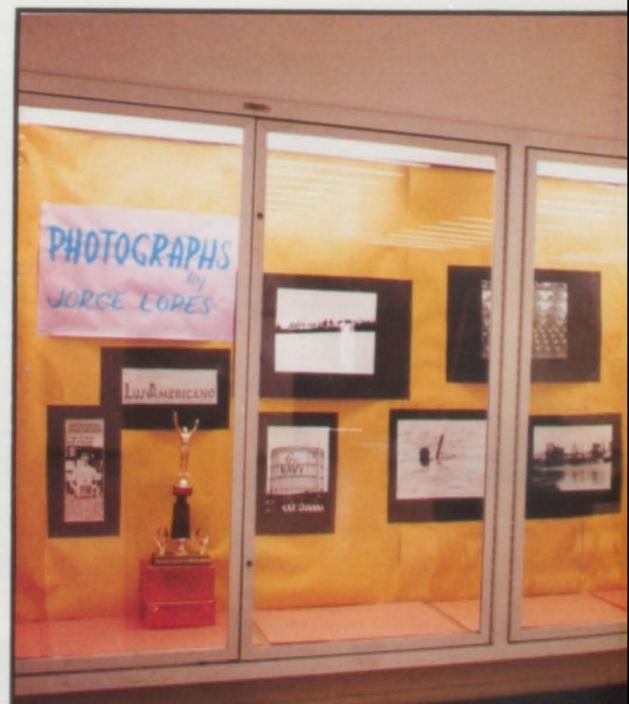

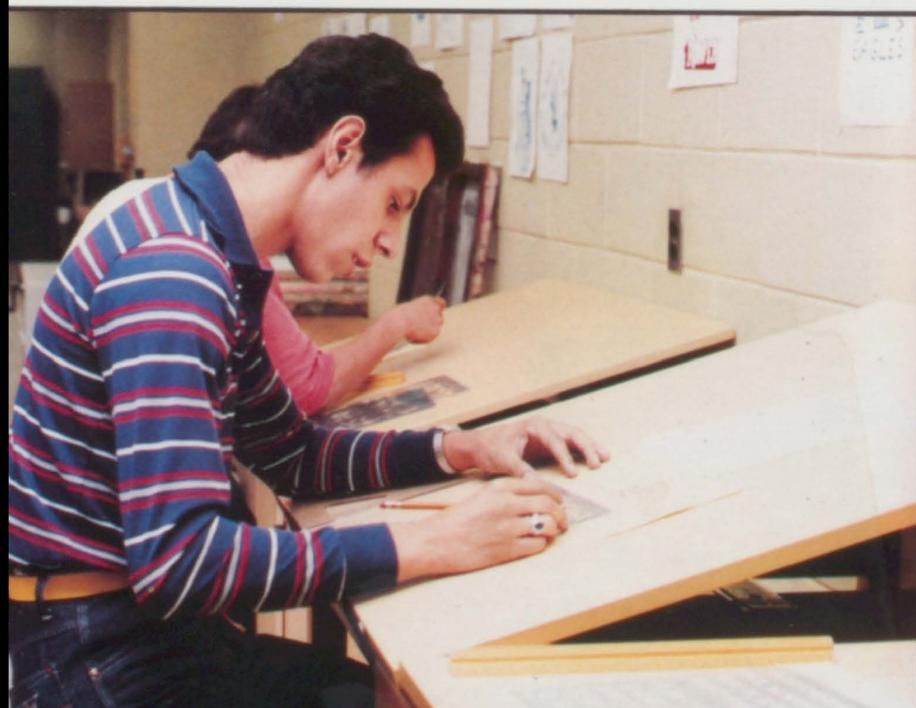

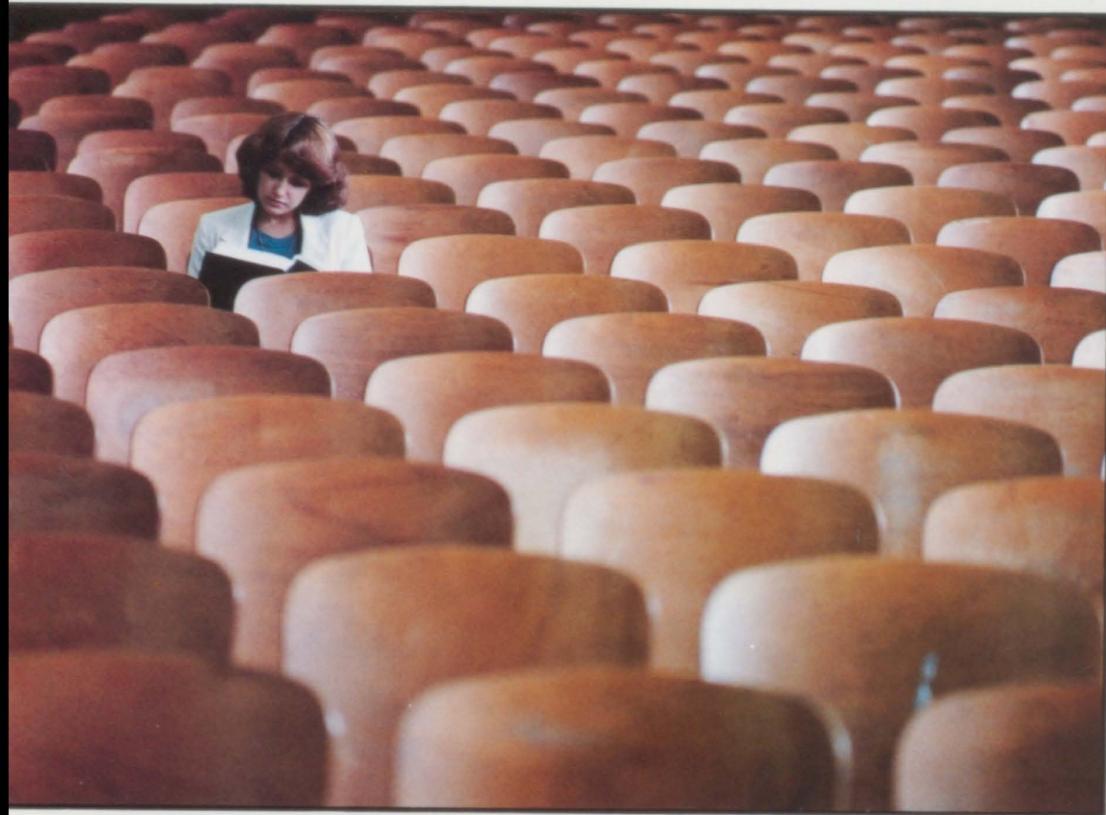

East Side jacket.

Stairway to building C.

Mageles Turado, working in the library on a project.

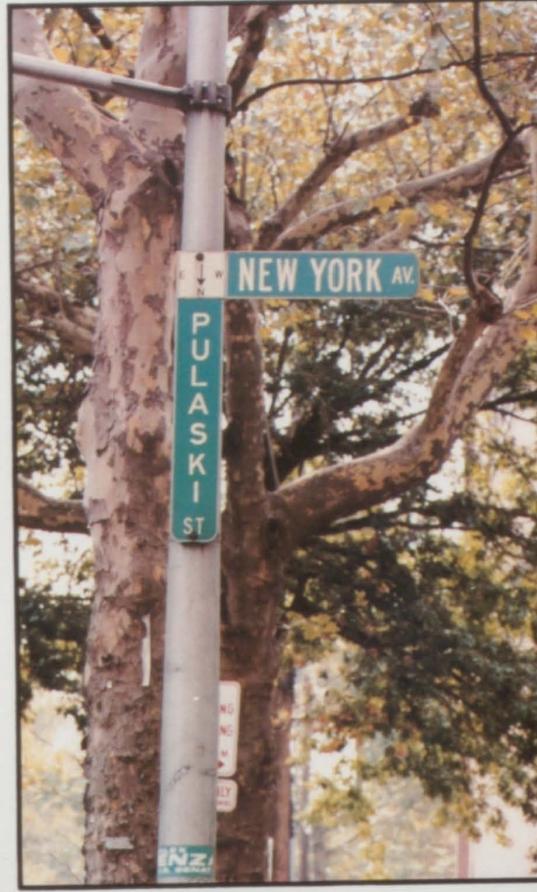

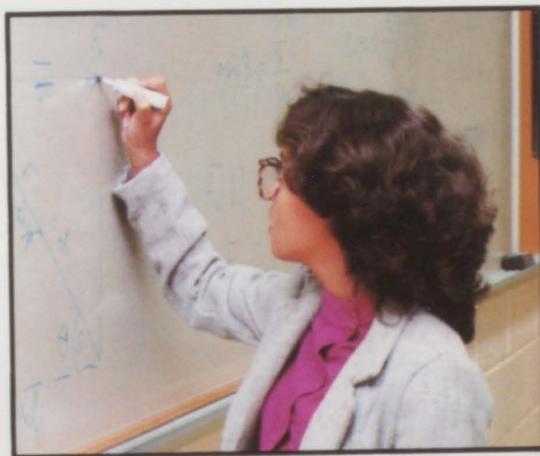

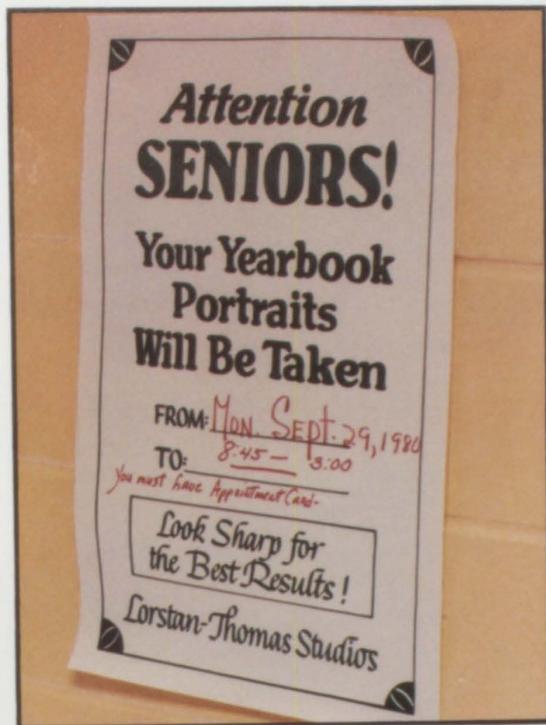

John Canelao, Frank Sanhudo, Hugo Bonilla, punk rock enthusiasts in a lighter moment.

# VIEWS OF FAMILIAR PLACES

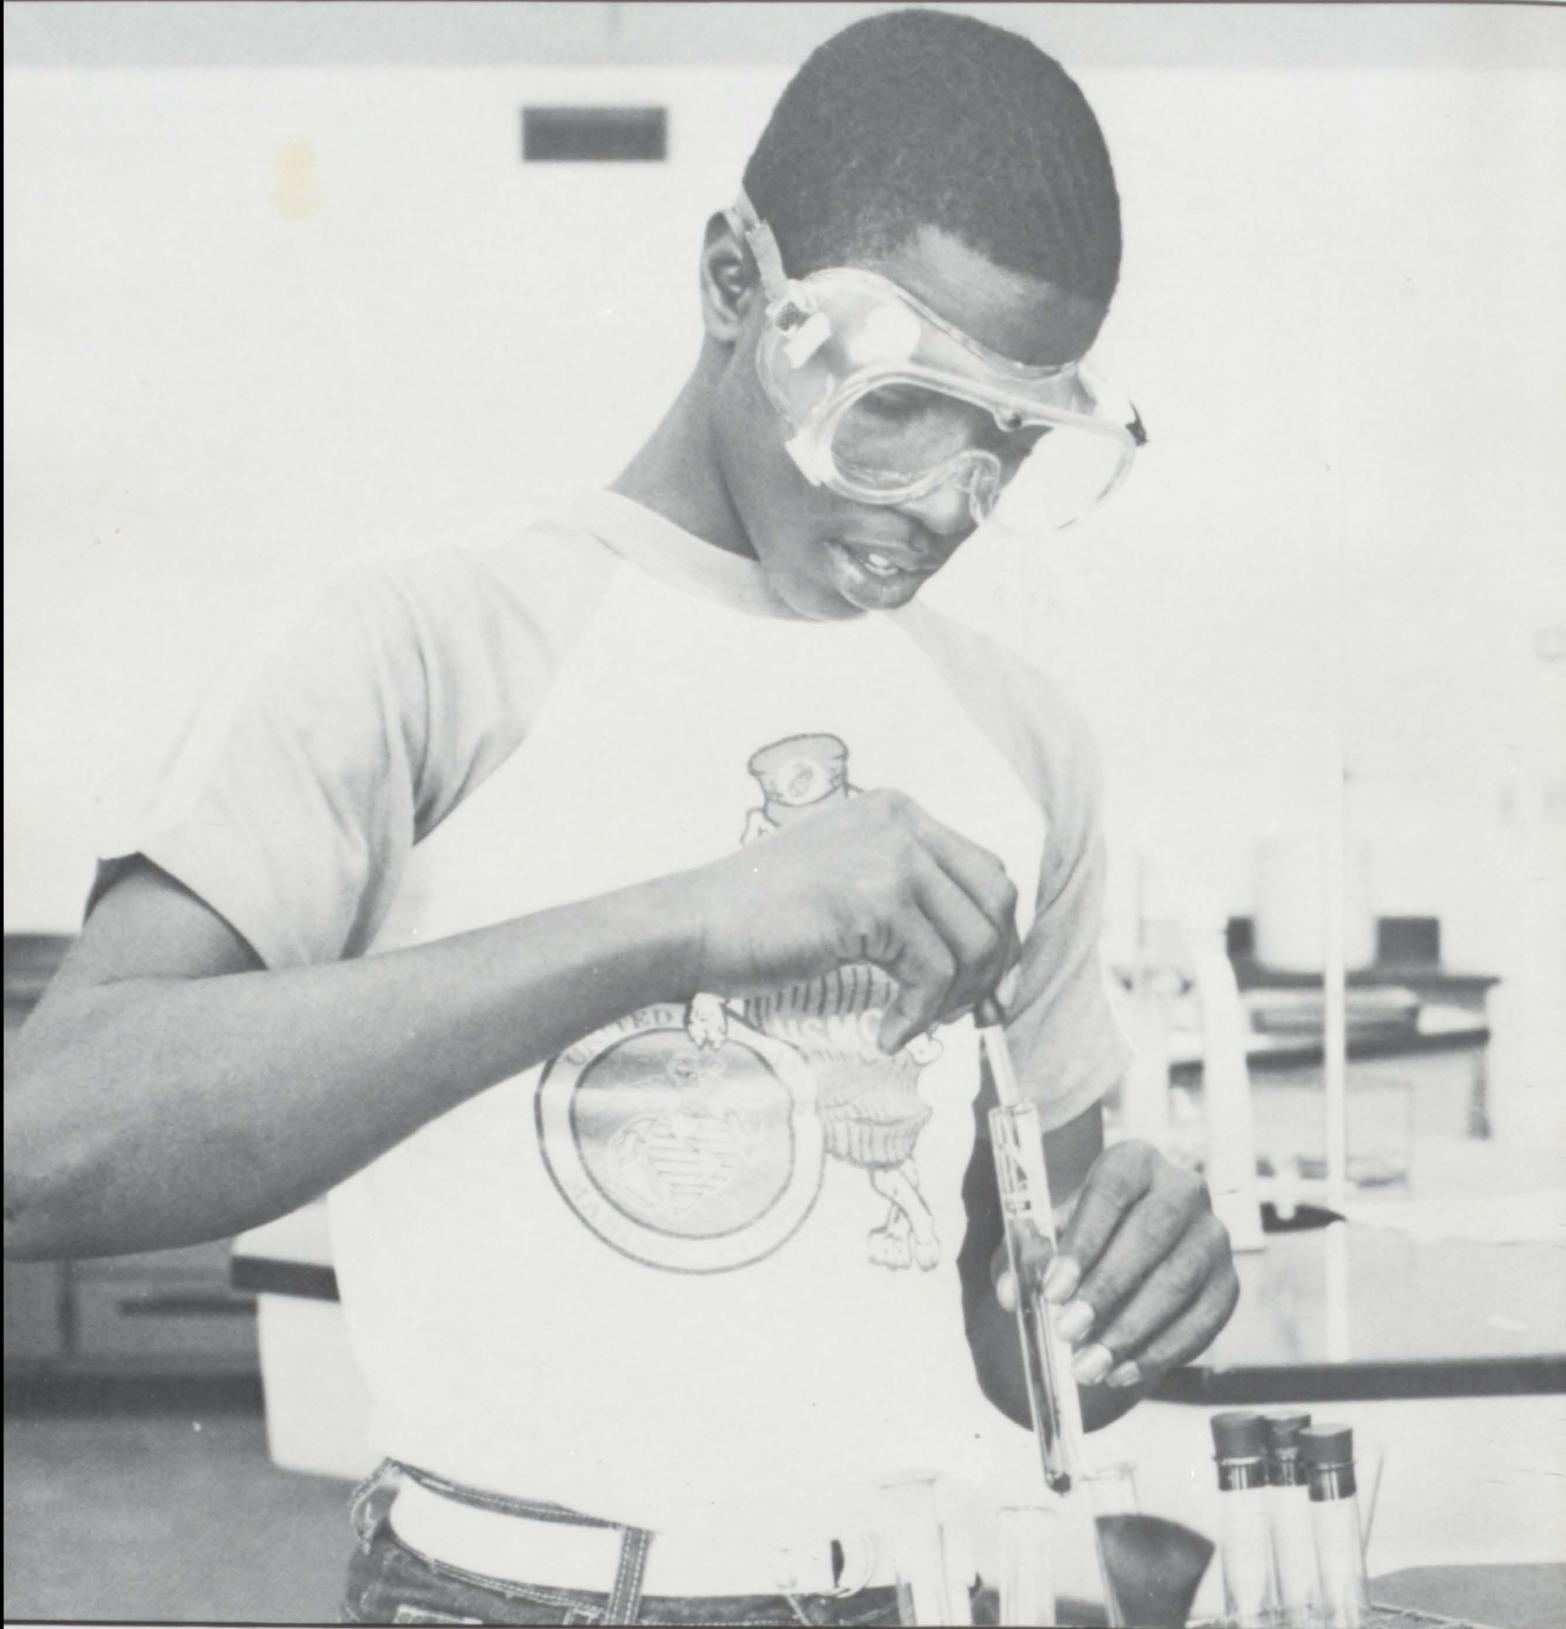

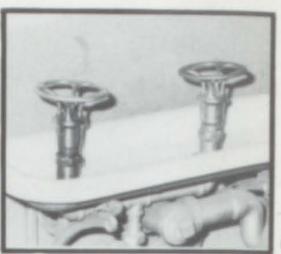

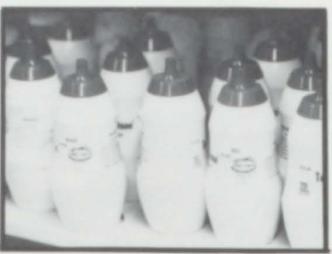

*Our vintage year, 1981, saw a blend of familiar faces with a variety of richly rewarding experiences. May these moments and faces mature in our memories for many years.*

*Fernanda Eduardo* in a moment of solitude. *Bernadette Moody*, acknowledging that we're Number 1. Here's where we are. *Annie Rodriguez*, completes a difficult problem. A favorite sign post. *Erique Gonzalez*, at the drafting table. *Photographs by Jorge Lopes*. Samples of our creative efforts by the Art Survey-Painting and Drawing class.

# OUR WORKING MOMENTS

*As we work towards our goal; the pursuit of knowledge; mind and body combine to combat everyday dilemmas as we question, experiment, and hypothesize.*

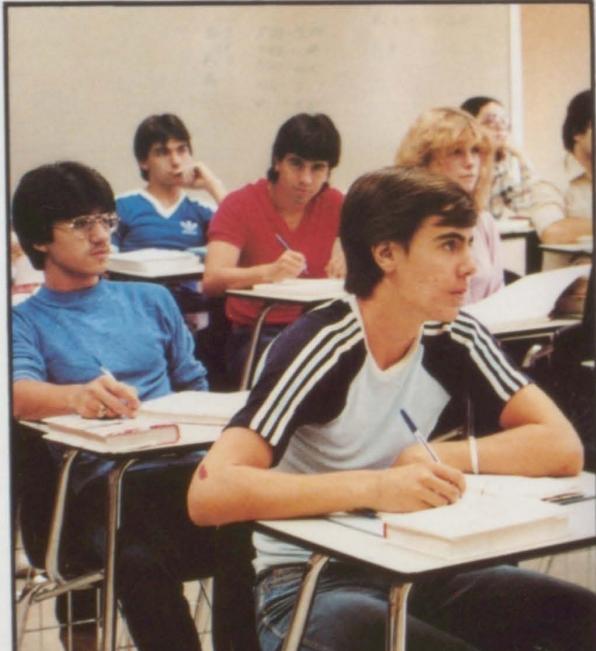

*Edward Alexander working in the chemistry lab seeking new solutions to problems.*

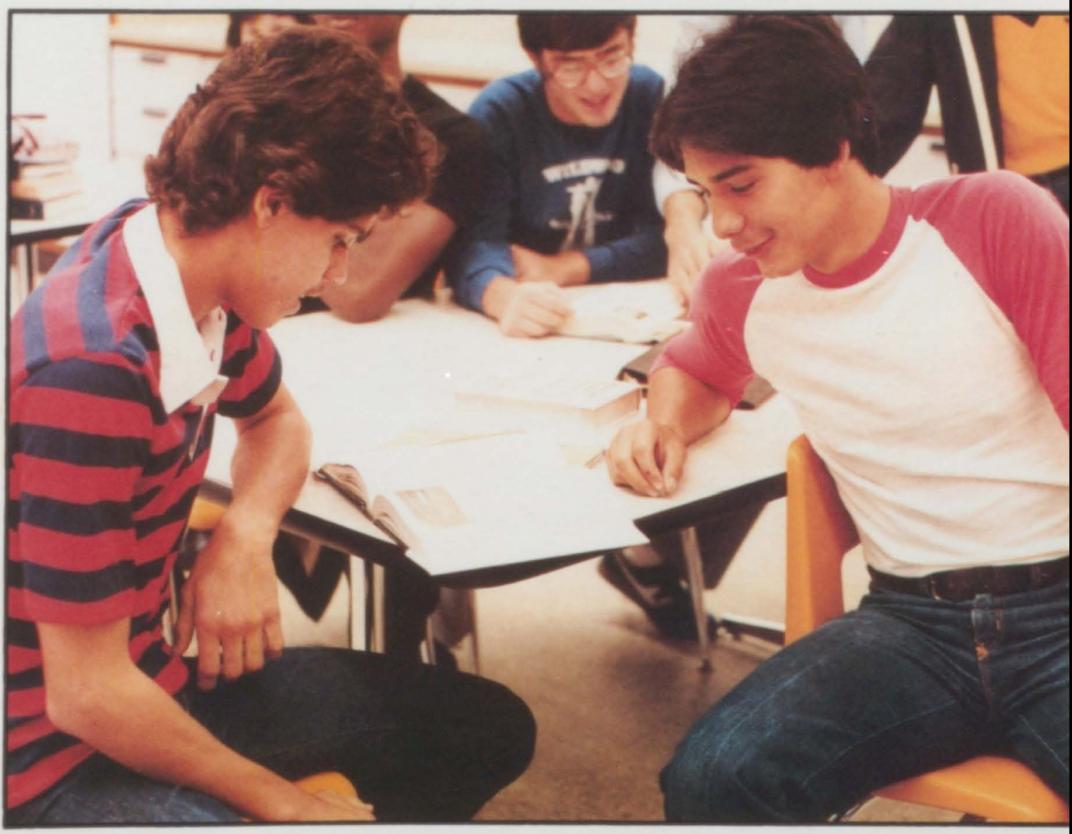

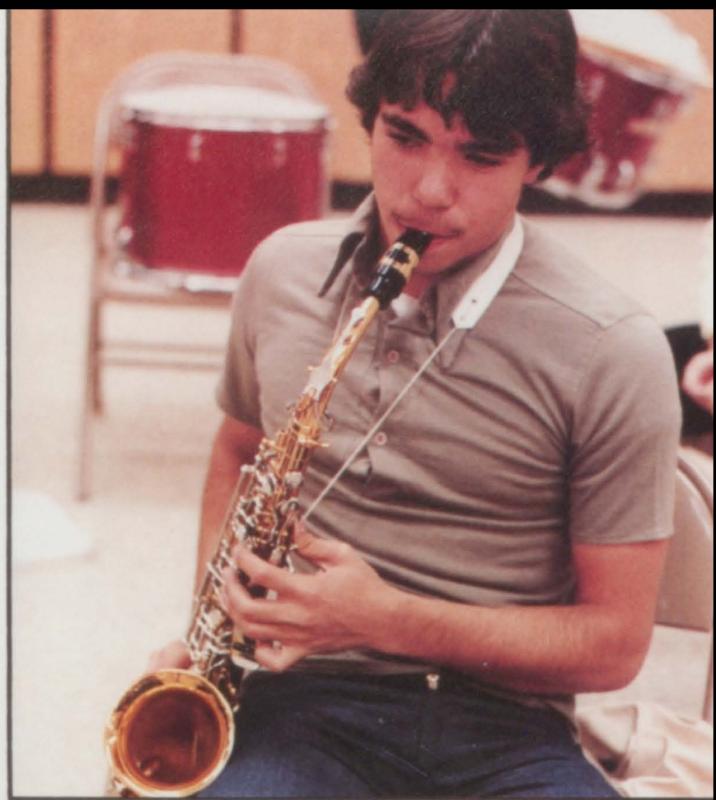

*Dorys Quesada, locates her final book for research paper while Maria Barbosa writes final words to her composition.*

*Ana Cunha and Maria Pinto listen attentively while the problem is solved.*

# LEARNING TO BE OURSELVES

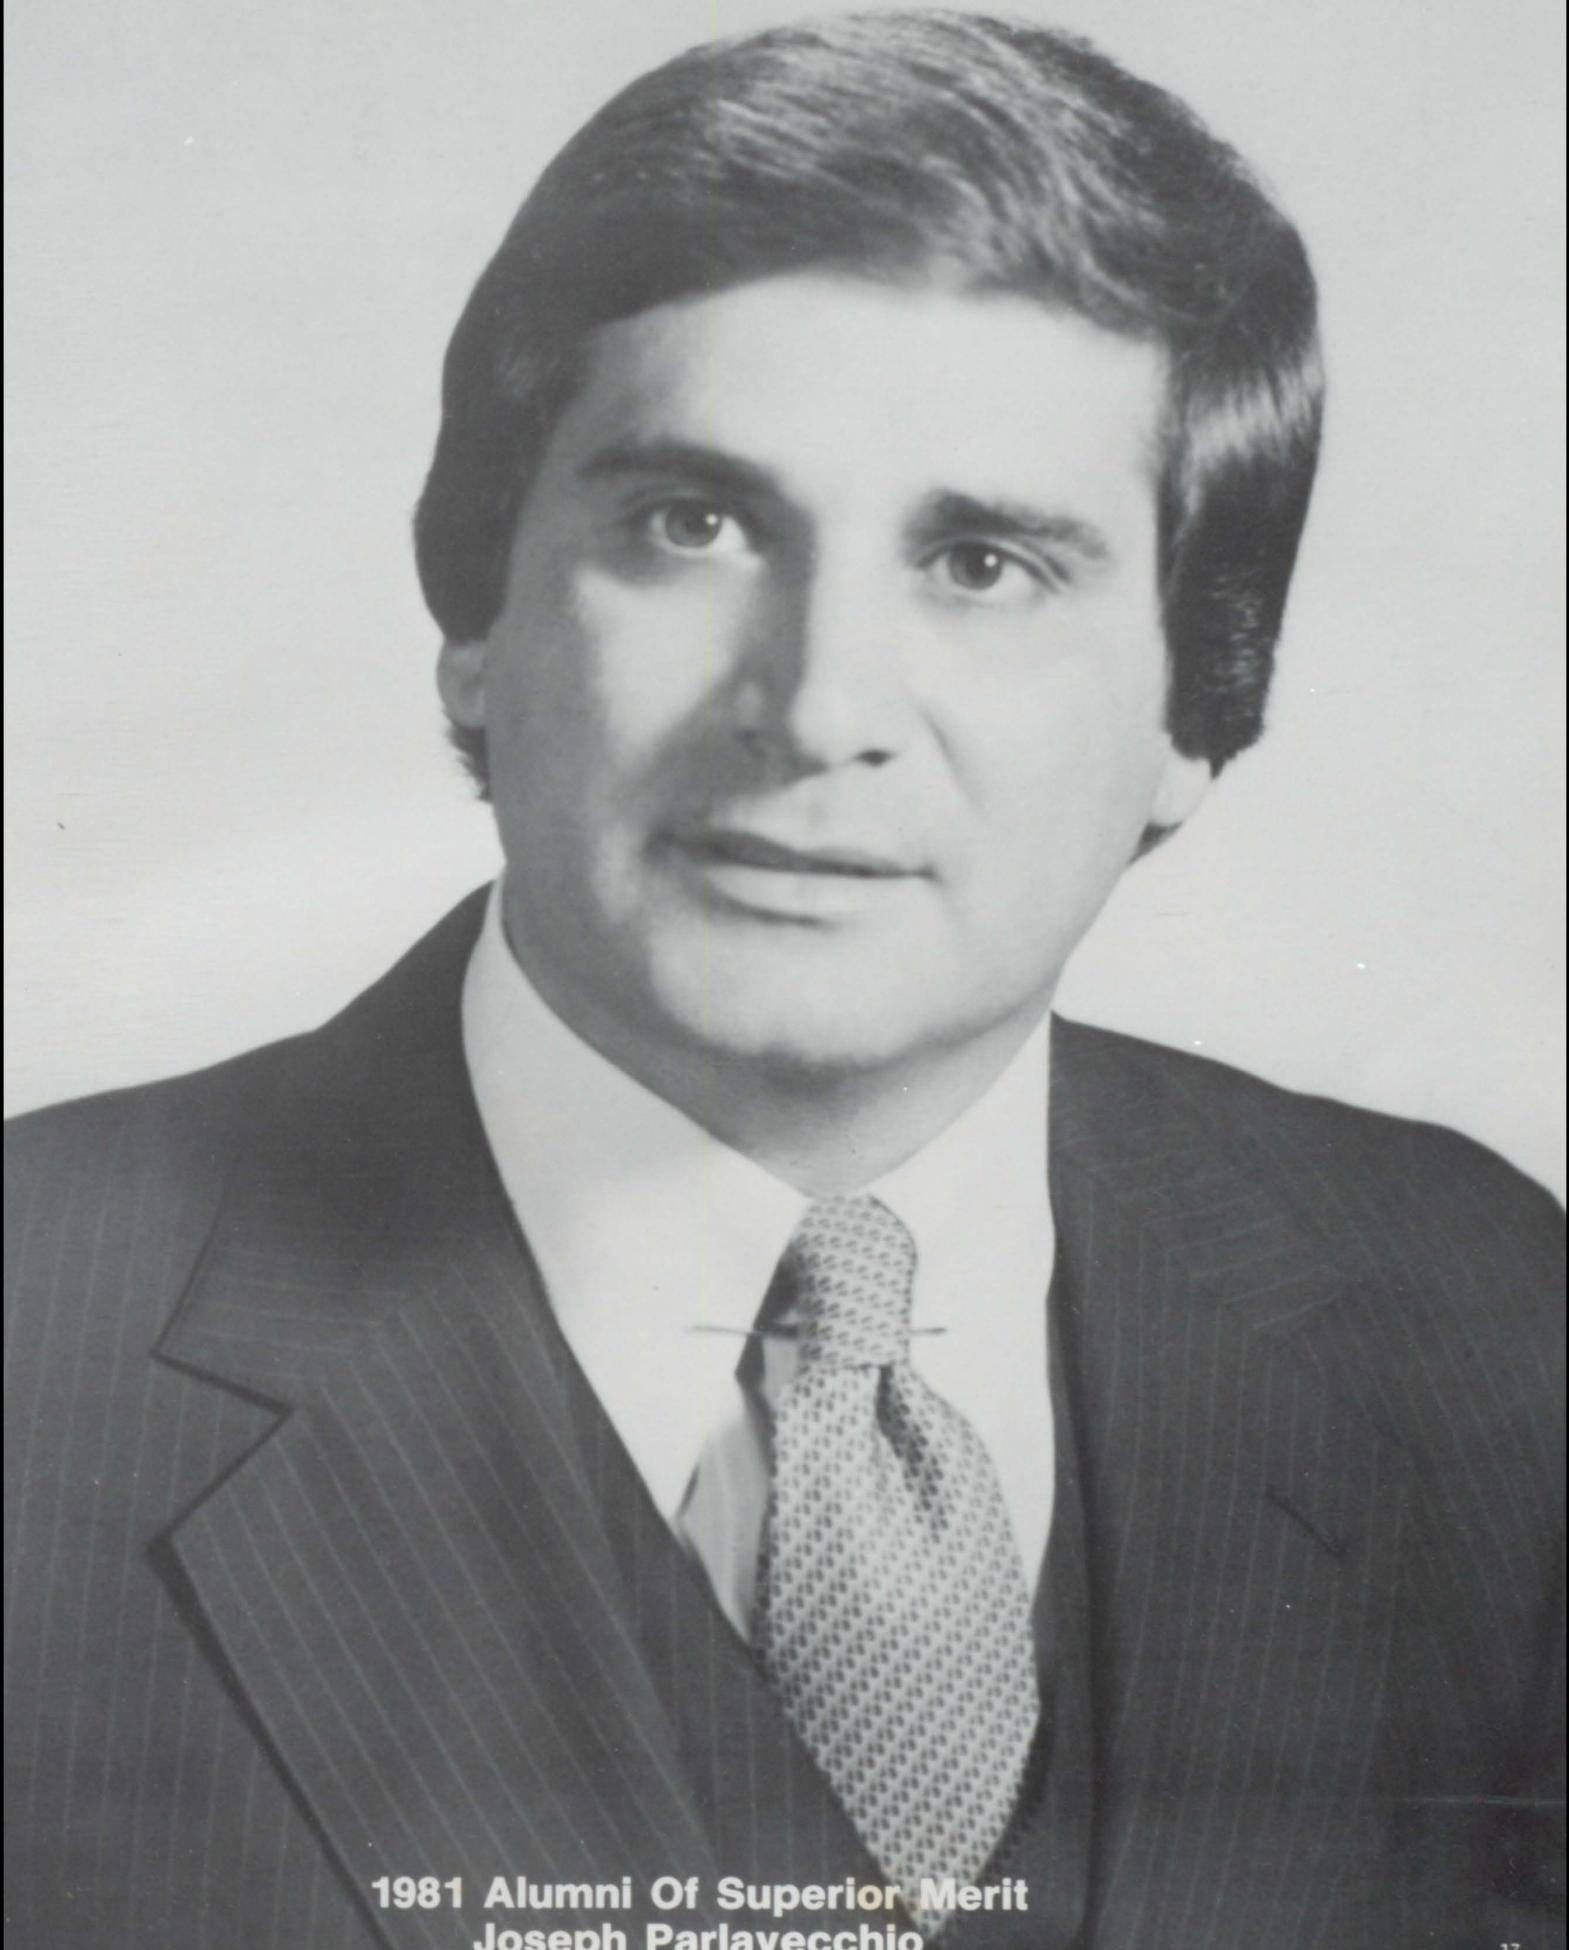

*Through our experiences we discover ourselves and grow with direction. Experience outlines our futures. Our thinking, doing, reading or reflecting all provide us with a special opportunity to appreciate what we have accomplished.*

*Ricky Rodrigues, and Fong Eng adjusting the enlarger for a final print. Robert Prazeres organizing material for the office. Practice, practice, practice. Students paying close attention. Eva Coelho listening carefully. Onelio Tellez playing trombone. Osvaldo Rebozo and Julio Lock checking over problems in their math book.*

## **IN RECOGNITION**

We the senior class of 1981 extend our congratulations to Joseph C. Parlavecchio, our alumni of superior merit. Mr. Parlavecchio graduated East Side High School in June 1961. He went on to higher education and earned his B.A. and M.A. degrees at Jersey City State College. Mr. Parlavecchio continued his educational pursuits at Newark State College and Seton Hall University. His accomplishments and highlights in education indicate an academic achievement of outstanding merit. A variety of educational positions and responsibilities which saw him assume the role of teacher, director of recreation, Title I Project Coordinator, vice-principal and finally as principal of Dayton Street School all pointed out Mr. Parlevacchio's capabilities and versatility. Mr. Parlavecchio's energies and expertise expanded into the fields of civic and community activities. A vital force in the East Ward civic, political, and community affairs, Mr. Parlavecchio played an important role as a member of the Essex County Board of Chosen Freeholders and as President of the East Ward Young Democrats.

We are most proud and privileged at the selection of Mr. Joseph C. Parlavecchio as our alumni of superior merit.

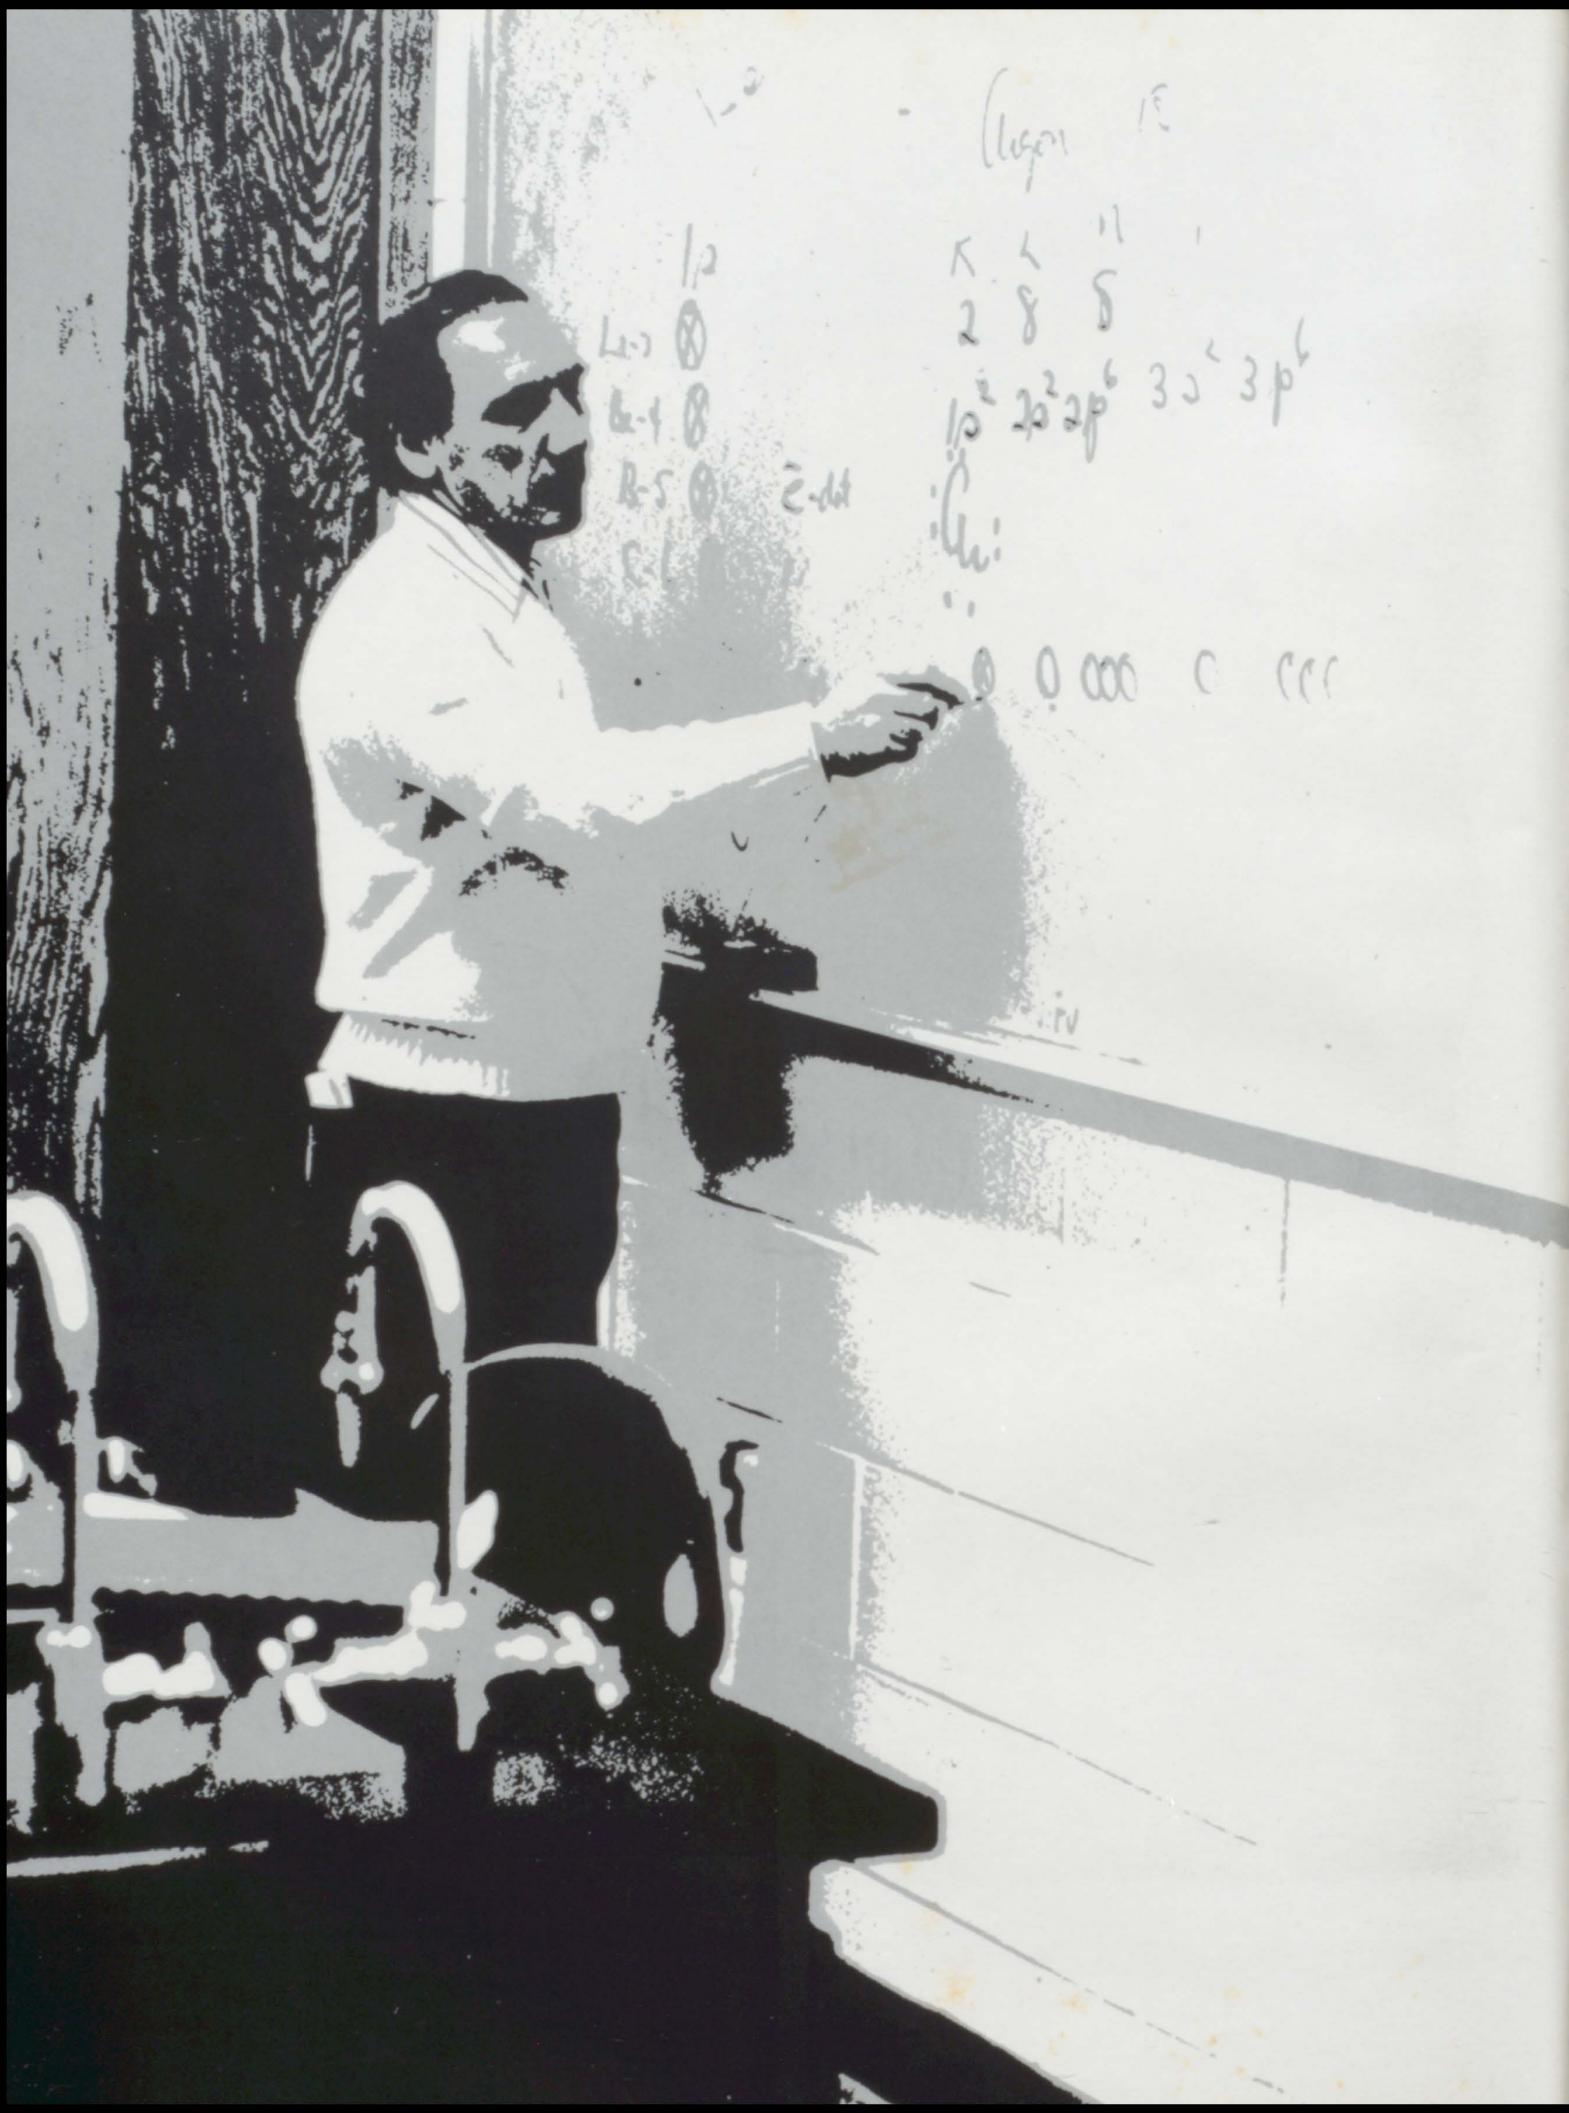

**1981 Alumni Of Superior Merit  
Joseph Parlavecchio**

## **ADMINISTRATION FACULTY**

*Teachers are an important part of school life. Our lives are intertwined. So much of what we do, what we are, and what we know depends on them. We are not the only ones who are happy when our team wins, or when we have a day off. And we are not the only ones who cry at graduation, or are upset when report cards are distributed. The faculty experiences all this with us. Not only are they dedicated in their teaching but give freely of their time for our benefit.*

When we fondly recall the days and years spent at East Side High, it will be impossible to forget the many fine members of this faculty that have provided inspiration and incentive to strive for excellence.

## **ADMINISTRATION /FACULTY**

**81**

Mr. Megaro, at his desk early in the morning.

# OUR WORKING PRINCIPAL

*When we fondly recall the days and years spent at East Side High, it will be impossible to forget Mr. Megaro, our principal.*

*Faced with a tremendous construction problem of two new additions to our school, confronted with the reconstruction of our old building, and compounded with the fact that he was newly assigned as principal to East Side High during the hectic years of 1979-1980, he has through dedication, inspiration, and concern for all of us and those to follow, accomplished feats that exemplified his talents as administrator.*

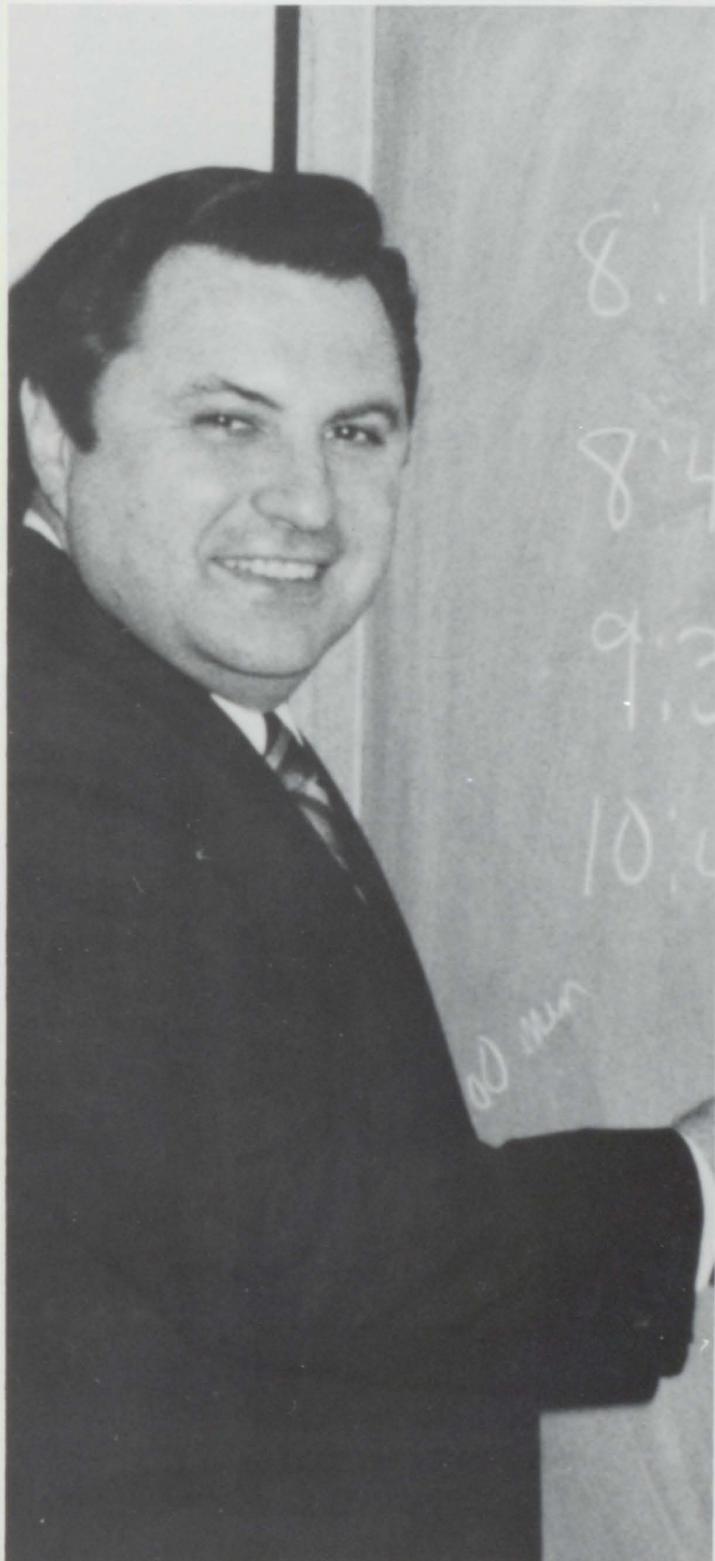

*His accomplishments were not those that made headlines, but instead were the types of achievements that made our environment of learning, our day to day activities, and our awareness of what is important in our educational experiences, meaningful and fruitful.*

*We would like to list just some of*

these accomplishments by Mr. Megaro, not to highlight his career, but more to accentuate those day by day administrative problems that we, in most instances, were not aware of, and yet had a great impact on our educational environment.

*Supplementary supplies, equipment and instructional material were purchased to enhance learning situations in many departments. New classroom, cafeteria, and health office furniture was purchased to replace old, obsolete, and broken furniture. Mr. Megaro, enriched, expanded, and improved the curriculum to meet the needs of all of us at East Side.*

*We cite only a few of the many accomplishments Mr. Megaro has spearheaded in the past two years. We wish him continued success and are confident that those who follow in our footsteps will continue to benefit from such dynamic leadership.*

Below: Addressing the student body, at a special assembly program.

Mr. Megaro, in a relaxed mood.

Above: Mr. Megaro on the phone, to discuss special problems.

# OUR ADMINISTRATION: A TEAM EFFORT

*Our years at East Side High School have achieved meaning and fruitfulness due to the fortitude, willingness, imagination and abiding values by our school administration who have shown genuine interest in our welfare.*

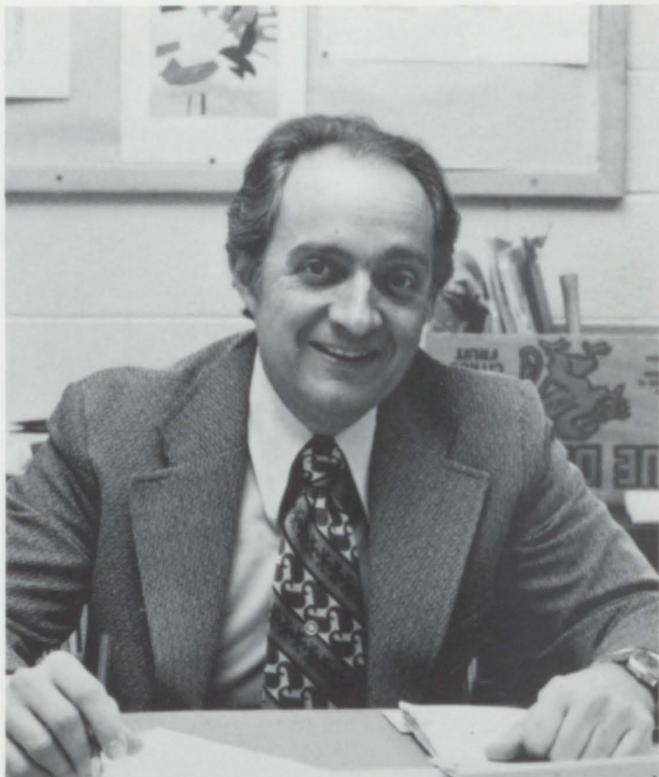

*Mrs. Maria Cardiellos, Vice-Principal, gives freely of her time to an integral part of our school life. She brings understanding, a pleasant disposition, and an awareness of the importance our family heritage plays in our lives.*

*Mr. Joseph Chagnon, Vice-Principal, is always busy helping to make our school a pleasant and pleasing environment. His cheerful manner, patience and tolerance with the many day to day problems that crop up, and his persistent efforts to help our school are consistent with his dedication and willingness to do the best for all of us.*

*Mr. James Martin, Vice-Principal, is a good friend as well as a dedicated advisor. His tolerance for our mistakes, his understanding of our opinions, and his guidance with wisdom has helped many of us.*

*Mr. Angelo Sena, Vice-Principal, will always be remembered for his genuine interest in our welfare. Mr. Sena's expertise extends into the many and varied functions at East Side that contribute to the enrichment of our lives. His encouraging manner, quiet humor, and availability for that extra help or assistance in a special problem are other examples of how he has contributed to making East Side High School not only educational but enjoyable as well.*

*The guidance and understanding we receive during our years in school comes from the people who surround us. The progress and changes made over the years were made by innovative and practical people in positions of leadership. Through their personal and professional generosity our situations have been widely improved.*

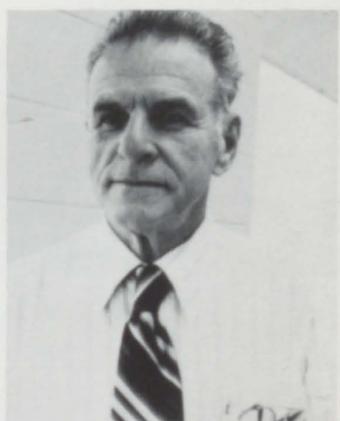

**Mr. Angelo Sena, Vice Principal**

**Mr. Donato Del Guercio,  
Physical Education**

Music, Foreign Languages**

**Mrs. Maria Cardiellos, Vice-Principal**

**Mr. Joseph Chagnon, Vice-Principal**

## Faculty And Academics

# ART - THE MANY FACETS OF EXPRESSION

*This year we saw the expansion of our Art program to include Photography II, Art Survey Drawing and Painting, and Studio Art. This growth has made it possible for many more of us to explore new means of expression and creativity. In our new Art rooms everything seemed to take on a new dimension. "You gotta have art" seemed an appropriate theme in this new environment.*

### Art Department

**MR. RAYMOND KIRSCHBAUM**

### MR. PAUL PALUMBO

General Music, Instrumental Music I; B.A., Marching Band, Advisor

### MR. LOUIS SUTERA

Guitars, Music Foundations, Strings; M.A.

Mr. Paul Palumbo, music teacher, at East Side High School calling for down-beat from all the student musicians.

No doubt about it. Our generation has seen some of the best in music. From rock and roll, punk rock, disco beat, to the classics, we have it all available to us. In our music classes we experience first hand all the joys that music brings — and the beat goes on!

## Faculty And Academics

# OPENING UP OF NEW VISTAS

The Bi-lingual department provided many of us the experience of expanding our knowledge of the Spanish and Portuguese languages and cultures. We were able to broaden our interests and gain a greater understanding of ourselves as inheritors of two cultures. Our personalities are enriched because of this experience.

Maria Rodrigues, laughing about interpretation of English idiomatic expression.

# **RESPONDING TO NEW REALITIES**

Bicultural/bilingual education has become one of the most significant changes in our schools today. More and more people have come to recognize the need to advance the quality of education for the linguistic and culturally distinct student. It is up to all of us to provide all resources to make this dream possible.

*Carlos Fernandes working in the li-  
brary.*

## CAREERS: PREPARING FOR THE BUSINESS WORLD

*Preparation for the business world is meaningful and satisfying. All of our business classes emphasize our preparation for the work in the world of employment. All attempts are made to help us find and engage in worthwhile career opportunities.*

Students, closely envolved in discussion about Tale of Two Cities.

# DIVERSITY KEY TO SUCCESS IN ENGLISH DEPARTMENT

*Who can calculate the value of the written word? In our English classes we became aware that English was more than spelling and punctuation. It was our opportunity to explore the imaginative world of fable and fiction as well as the extension to understand the realities of the real world surrounding us.*

# SCIENCE - A NEW WORLD EACH DAY

We have conquered nature, we have gone into space, yet if we are not careful we will destroy our planet Earth. We all face a great challenge — we are fast using up our resources. Energy, environment, and education must link together to develop scientific means to provide the knowledge and skills necessary to enable us to breathe clean air, to drink pure water, to conserve our natural resources.

# THE LIBRARY-CENTER FOR RESEARCH AND STUDY

*The hub of our school* is the library. It is here where many of us meet to discuss and work at assignments handed out by our teachers that require the use of supplementary material and research into sources of knowledge that are unique only to the library. Here we meet as a group or work as individuals under the guidance of our teachers and librarians to develop our skills in library usage as well as a lifetime understanding of library resources.

*Many of us* use the library for research, to find answers to specific questions, to browse through the books or magazines or just to appreciate literature through suggested ideas in reading.

The environment is attractive, well organized, and presents an atmosphere of a quiet orderly appearance which is conducive to learning.

*The saying*, "meet you in the library" is truly representative of the fundamental function of the library as a source of knowledge for all students.

## SCHOOL CLERKS

# OUR EFFECTIVE OFFICE STAFF

*One often wonders how a school as big as ours can be run effectively. After watching and observing our school clerks and aides in action we think we have the answer. These wonderful, hard working people provide the organizational talent that effectively expedite the many responsibilities and organizational details that keep our school running smoothly. Typing, filing, keeping records, handling every day work details with expertise and yet maintaining a balanced sense of humor all contribute to a well run school administration.*

## SERVICE GROUPS- OUR BEHIND THE SCENES WORKERS

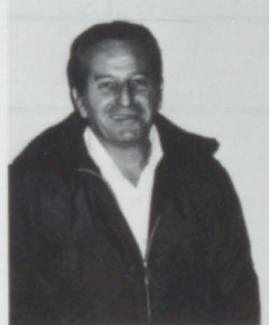

Our school life has been made more pleasant by the efforts of our custodial staff who have to clean up after us. We appreciate their efforts in giving us a clean environment to learn. Nor will we forget the fine cafeteria people who helped make our lunch hour a pleasant and healthful one. The Security people who walked through our halls gave all of us a sense of safety and helped to make our school one free from unnecessary interruptions. We appreciate all of their efforts on our behalf and will not forget their dedication to establishing a proper environment for learning.

## ACTIVITIES

*If you want to become a part of anything, you must put yourself into it. You have to give something before you can get something in return. You get involved, you get hurt, you get happiness, you remember.*

A large portion of our education comes from our participation in school activities. This participation helps us grow as individuals and develops a sense of service to the school.

There are many outlets for group activities during and after school which contribute to the enrichment of our lives. They have made school something special and memorable. For all these many things we are truly grateful.

## ACTIVITIES

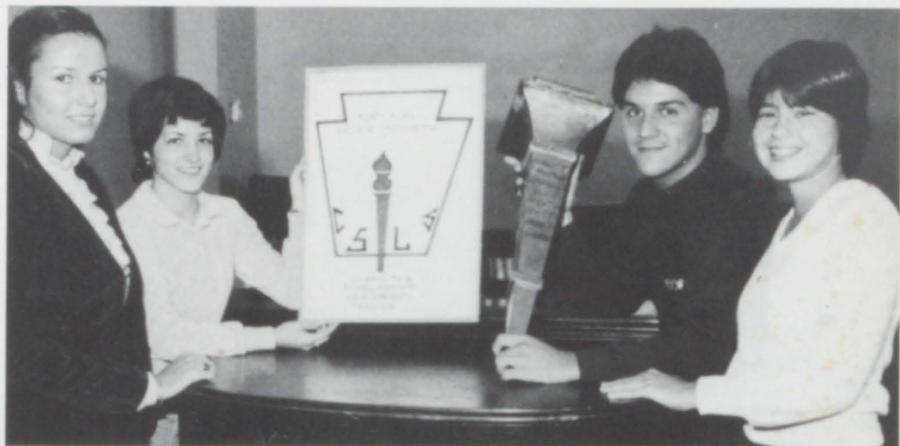

# 81

# CLUB MEMBERS EXPERIENCING . . . BECOMING

## National Honor Society

The highest honor a student can achieve is to be elected to the National Honor Society. Candidates must maintain a 3.5 grade average in their school work. Service to the school, character development, leadership ability, as well as high scholastic average, are all objectives toward which potential candidates must strive and upon which they will be judged. Students learn of their acceptance to the National Honor Society at a tap in ceremony where each candidate is tapped on the shoulder acknowledging that they have been selected. A formal induction ceremony is later held which is a very special event shared by students, parents, and faculty.

We are all proud of those who have been chosen and extend our congratulations to the officers President, Mickey Santiago, Vice-Present, Maria J. Munoz, Secretary, Stacey Shubsda, and Treasurer, Donna Cervo.

Maria Munoz, Donna Cervo, Mickey Santiago, & Bertha Caamano display with pride the symbol of the National Honor Society.

National Honor Society members go over material before an important meeting.

Members of the National Honor Society getting information ready for the monthly meeting.

Enrico Antunes, Regina Nitti, Fernanda Eduardo, Grace Rocha, Theresa D'Egidio, Rosa Ribau, Maria Resende and Margaret Lavin meet to discuss plans for induction ceremony.

Boricua Club Members

### Boricua Club

A number of our Hispanic students have formed a group to study the rich culture and heritage of Puerto Rico and to become active in school activities.

They hope to design special club shirts, provide tutors to students needing assistance, and help in clean-up activities in the school. Some special events are being planned which will add interest to the club meetings. The club officers are President, Roger Hernandez, Vice-President, Jose Mendes, Secretary, Maria Vasquez, Treasurer, Julia Bonilla.

*Members Are:* Diane Battle, Sharome Dunnell, Ronald Mason, Aron Ward, Kim Jordon, Angela Lasinberry, Gregory Malone, Diane Jerman, Felisha Washington, Beverly Gatlin, Carla Simons, Althea Finn, Willette Lowe, Morgue Gaines, and Mr. Huling, Advisor, go over material for use in Black History display.

### Afro-American Club

*This group meets to study, discuss, and participate in the rich culture of Africa and the many contributions brought by early slaves to this country. They became deeply aware of the significant contributions made to American history in the areas of music, science, and the arts by Blacks. Historical as well as contemporary personalities are studied to emphasize an area of learning that provides all with an awareness that our American way of life has been made richer by these outstanding individuals.*

# THERE WILL BE A MEETING TODAY . . .

## Future Physicians

On a regular basis students interested in the field of medicine meet with advisor, Mrs. Roberts to discuss, study and survey the various medical schools and the opportunities these colleges offer to aspiring medical students.

The members talk and visit with their family doctors, observe operations in the hospital and are involved in the blood bank.

They seek all possible information for scholarships, awards, and financial assistance to help members decide on the school that would respond to their individual needs.

A worthy group with high aspirations.

## Italian Club

All of Italy is a great museum. Few nations have as rich a heritage in the fields of art and architecture. This remarkable land has prompted a few of the students with Italian background to get together to study and understand the customs, traditions, and cultural achievements of their ancestry. Meeting on a regular basis, the group discuss a delectable Italian menu, learn practical uses of the language, and study the many famous Italian artists and historical cities.

Their varied activities will culminate in a trip to see and hear an Italian opera. Buono fortuno!

## French Club

In an informal setting, our French Club re-enforces many of the customs, traditions and language learned in the classroom. Its' fun time.

During our club sessions we order dinner at a French restaurant, develop social amenities in the language, and generally experience the French culture at its finest. Seniors, Rosa Ribau, and Maria Gandarez have experienced the benefits of the French Club and we are sure they will put their lessons to good use.

Virginia Zacarias, Michael Santoro, Dalia Pacheco, Mrs. Roberts, Advisor, Maria Gandarez, Cindy Homiek, Elisa Quinones, Mayta Garcia, are all very busy studying parts of the brain through the use of a model.

John Ricardelli, Yvette Denardo, Thomas Martin, Michael Puglise, Flora Petracca, Maria Pinto, Darlene Caruso, Michel Pegaro, Nicky Canzona read about the beautiful city of Florence Italy.

Front row: Maria Gandarez, Angelina Braga, Ivone De Olivera, Rosa Ribau, Marial Gandarez. Second row: Anthony Campos, Paul Da Silva, Robert Martingue, Eddie Gonsalves, Michael Perez, Rui Batista, Jose Alves and Mrs. Mariana Castanheira Advisor.

Front Row: Mario Martins, John Gomes, Luis Santos, Tony Loreiro, Jorge Da Silva, Cesar Viana, Jorge Valente, Joao Lapa, Robert Prazeres, Rui Talaya; Second Row: Celia Gregorio, Maria Oliveira, Suzana Oliveira, Ana Pires, Adelaide Silva, Lidia Ganhito, Maria Rodrigues, Maria Pereira, Ana Da Cruz, Isabel Amaral, Maria Freitas, Teresa Amado, Margarida Lapa, Maria Teixeira, Maria Resende; Third Row: Teresa Pacheco, Elizabeth Martins, Maria Martins, Anabela Da Cruz, Vera Madeira, Isabel Salvador, Eva Coelho; Fourth Row: Ana Piorro, Ana Silvestre, Elsa Amado, Olinda Ferreira, Ana Fernandes, Deolinda De Oliveira.

## Clube Portugues-Os Académicos

Becoming aware of Portuguese Language and culture is fitting in our school since the majority of our student population are from Portuguese heritage. The Portuguese club encourages understanding of the language and develops awareness of the rich culture that stems from Portugal. These students broaden the schools knowledge through the printing of Os Académicos, a club newsletter that informs and provides a vehicle for dissemination of information regarding activities of the club members. Other activities include visitation to our school by Saddle Brook High School and a return visit by the East Side members to Saddle Brook's "Mardi Gras" festival.

*This group is active in community activities and holds an annual summer picnic which includes inviting past members of this outstanding group.*

Front Row: Elizabeth Dilla, Ralph Taylor, Michelle Ward, Michael Perez, Jose Alves, Maria Gандarez, Edward Alexander, Fernanda Eduardo, Grace Rocha, Second Row: Ms. Jackson, Advisor, Robert Ceceri, Johnny Carswell, Anthony Glaski, Mr. Campasi, Advisor, Mickey Santiago.

Members of the ski club with Mr. Afflitto, advisor.

## The Announcer, School Newspaper

*The Announcer, is a paper written by and for the students. Through the media of the printed word all of us are kept informed and aware.*

*The Announcer helps publicize the many activities carried on by school groups, important events, and sports results. One can find movie reviews, the recent punk rock trends, messages from the principal, and a vehicle of communication for students to speak out on issues.*

## Ski Club

*Everybody pray for snow this week-end. The Ski-Club members with advisor Mr. Afflitto, keep looking forward to a white winter so that they can truly put into practice the learning and techniques developed during their meetings.*

*It's fun to practice in school but when the ski week-end comes up all are anxiously eager to get out on the snow and ride the ski trails. This group of hardy snow bunnies plan a trip to Vermont, ski country, and enjoy a winter sport that is exciting and pleasurable. Forecast: snow falling over Eastern region.*

# WORKING FOR A BETTER EAST SIDE

## Student Council

The Student Council is the student forum of the school. It consists of delegates from each homeroom. The entire student body elects the officers.

Service to the school is the prime objective of this organization. It is here with this group that often the pace and standards are set for the school.

Among the many activities of the Student Council was donating yellow "mums" to the Veterans Hospital at Thanksgiving in East Orange, New Jersey. The decoration of a Christmas tree with yellow ribbons, and the sale of "yellow ribbons" to underscore sympathy for the hostages. Also of importance has been the maintaining of the lobby bulletin board and the running of the Valentine Dance. These are but a few of the many activities and accomplishments of the Student Council.

Anabela Da Cruz and Maria Teixeira, decorating the lobby bulletin board with yellow ribbons.

Symbol of hostages being held in Iran.

Bottom Mickey Santiago, Maria Gandarez, Maria Ruivo, Maria Santos, Anthony Campos, Anabela Da Cruz, Joanie Carenio, Fernanda Eduardo, Carlos Fernandes decorating yellow ribbon Christmas tree.

Rosa Ribau, delivering mums at Veteran's Hospital.

\*Attention all  
students & teachers

Please support our  
campaign to free the  
hostages, by buying  
a yellow ribbon and  
wearing it this week.  
You are joining the country  
in this yellow ribbon  
campaign, not only your  
school. Donation - \$1.00

Help free our  
hostages!

Buy a yellow ribbon and  
wear it this week. Donation - \$1.00

Bulletin advertisement for yellow ribbon sale.

Students gather with Mr. Taylor, Veteran's Hospital administrator.

Student Council Officers are Mickey Santiago, Carlos Fernandes, Maria Gandarez, Rosa Ribau, Fernanda Eduardo, Maria E. Santos, Eddie Morafs.

#### HOSTAGES NO MORE

Excerpts from a poem by  
Laura Waltner  
Class of 1981

For four hundred and forty-four days,  
We tried many ways  
To free our fifty-two —

A miracle occurred,  
The fight was won by a nation that  
Pulled together as one,

Now back on American soil, cherished by us all,  
Again they're with us —

## Twirlers

*Our twirlers provide beauty, precision and color to our band but you can bet it did not come easy. These young twirlers worked long hours, practicing their routines and developing the skill and precision that makes them the colorful front runners whenever they participate in a school activity. At football games and other sports activities these young beauties provide the color and liveliness that always sparks comments from those who view this group in action.*

*All can express satisfaction in their united effort to present a well polished, precise routine.*

Theresa Lisa D'Egidio

All together in a routine.

# POM POMS: LEAD THE WAY

## Cheerleaders

*One of the most active and sought after activities in our school is that of cheerleading. This popular activity attracts girls who are not only athletic but who are also much interested in gymnastics.*

*Dedication and skill are a must for these young girls who have to demonstrate coordination, precision, timing, and a very strong voice.*

*Outgoing, full of school spirit, our cheerleaders inspire the enthusiasm to spur our team onward to victory.*

Roxanne Prignano showing her cheerleading ability.

Florence Snowden leading a group cheer.

Manuela Rodriguez, giving an enthusiastic cheer.

# RHYTHM IN MOTION

## Colorguards

*A dash of class!* This description of our East Side Color Guards as they perform their routines and precision moves marching before our band is a fitting one.

*They provide a sense of rhythm and motion that is exciting and colorful. One can only guess at the number of hours of practice to achieve this uniformity of action.*

Jackie Molina

Color Guard: Front Row: Lisa Ciuba, Terry Capra, Lisa Teti, Grisel LaFuente, Chris Farihna. Second Row: Eileen Coboz, Cindy Homeik, Betty Fernandez, Donna Santos, Zarida Marrero, Belkis Sotolongo, Jackie Molina

Color Guards Chris Farihna, Belkis Sotolongo, Cindy Homeik, and Terry Capra perform a favorite routine.

Eileen Coboz, and Jackie Molina proudly display the flag and school banner.

Chorus in a group rehearsal.

Mrs. Glover giving direction to one of the chorus members at group rehearsal.

Mrs. Glover leading the chorus at practice session.

## UNITED WE SING:

### Chorus And Choir J

*It could be a show tune off Broadway, a popular tune of the day, or a traditional Christmas carol; it's the chorus rehearsing for their next performance.*

*Director, Mrs. Molly Glover provides a variety of vocal experiences to her youthful chorus members that requires dedication, practice, and rehearsals almost everyday. This group may meet as early as 7:00 A.M. or as late as 9:00 P.M. depending on the performance in progress. Mrs. Glover not only insists on proper singing techniques but stresses improvement of individual singing capabilities. Knowing the tremendous potential of her chorus, Mrs. Glover channels this energy into producing performances that include hits from South Pacific, Bye Bye Birdie, and this year, Pippin.*

*Stage fright is normal when a member of Choir J finds out that a performance has actually arrived but one would never know it as these young people become involved in their singing.*

*Developed in their poise and confident in their talent, these young singers perform like professionals. Practice, Practice, Practice that's the key to their success as in their "Happy Holiday" presentation on December 18, 1980 which highlighted old time favorites as Sleigh Ride, O Holy Night, Jingle Bell Rock and The Hallelujah Chorus.*

*These young singers really insure the performance being successful but each heaves a sigh of relief when it's over.*

CHOIR J: Front row: Debbie Adao, Cynthia Lynch, Mickey Santiago, Danny Rosa, Joe Pierria, Maria Gandarez, Elizabeth Morales; Second row: Carlos Rende, Mario Barboso, Eugene Miguel and Ricky Gonzales blending voices into one.

# TEAM SPIRIT THRU MUSIC

## Marching Band

A marching band has the wonderful ability to bring out the child in all of us. Our East Side High School Band has, color, sound and they present an appealing attraction for all watching them marching proudly.

With new red and white uniforms, fancy steps, and a resonant sound, these young musicians are a colorful sight to behold.

Our band participated in many events highlighted this year by the Pulaski Day and St. Patricks Day Parades.

Our band in great form.

Mr. Paul Palumbo, Director, giving directions during a practice session.

Edith Jackson, our one and only mascot.

Guillermo Anson

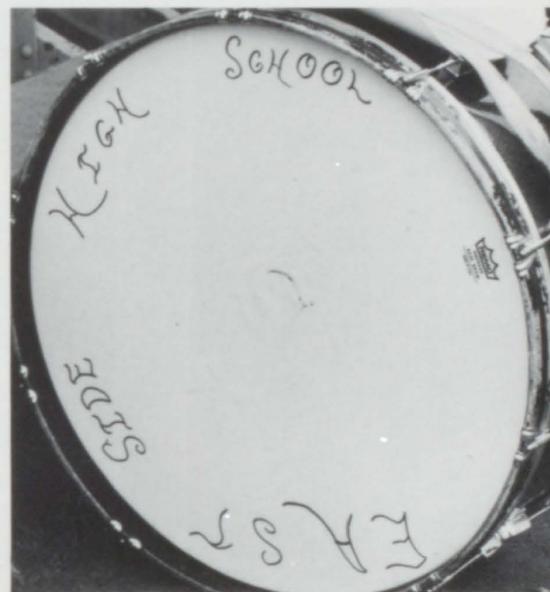

Michael Hall

Isaias Nolau

Julio Gonzalez sounding a low note.

A resting base drum before the parade.

Manny Guerra

Robert Prazeres

# THEATRE OFF VAN BUREN STREET

## Drama Club

The drama club is composed of 27 active members who focus on improvisation games, monologues and scene study. Led by Ms. Nanni these young aspiring actors prepare for the big performance in May. This year possible choices for production are "Asylum", "The Patient", or The Loveliest Afternoon of the Year."

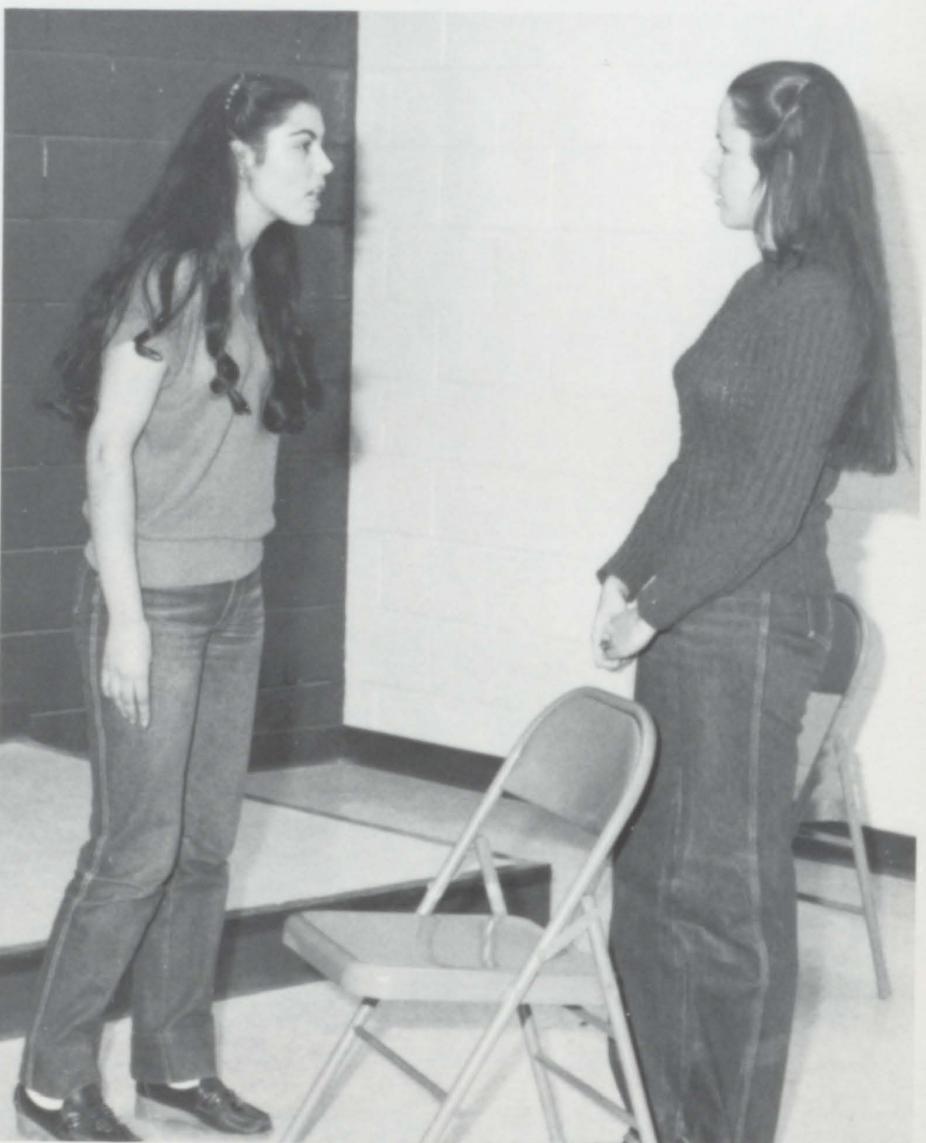

This group's objective is to stimulate and develop creative abilities and to nurture cultural appreciation for the theatre. Ms. Nanni states that, studying the theatre and acting help to promote growth, confidence and a sense of self worth in the student.

Our positive comment is Encore, Encore!

Rosalie Barbosa practicing a monologue from Butterflies Are Free.

Front Row: Ana DaCruz, Anthony Galaski, Olinda DeOliviera, Grace Ferreira, Rosalie Barbosa, Maria Perreira; Second Row: Anna Piarro, Theresa Sarabando, Victor Cardiellos, Maria Munoz, Donna Fischer, Ana Oliveira, Anthony Galaski, Ivone DeOliviera; Third Row: Maria Resende, Fung Yee Eng, Lea Vaz, Lisa DeOliveira, Elizabeth Fernandez.

Maria Munos and Maria Resende rehearse a scene from Night of the Iguana.

Stage Crew, helping to set up bleachers.

### Stage Crew

Behind the scenes of all productions are the unsung heroes that make it all happen. These hard working students are members of the Stage Crew. They set up scenery, move furniture and props, and prepare the stage for the action to come. When the activity is over and all have left the auditorium this group is still hard at work cleaning up after the performance. Much credit for the success of a show is due to these "behind the scenes" workers.

Front row: Mrs. Glover, advisor, Carlos Almeida, Eugene Binkowski, Ricky Gonzales, John Ferriera; Second row: Michelle Napier, Wilsonna Porter, Julie Armand, Evelyn Digueroa, Candace Borley; Third row: Jon De Santos, Manny Balugas, Robert Villano, Juan Gonzalez, Marcile Jesus, Joe Martins, Humberto Pedras.

Members of the stage crew, hard at work.

# LET'S GO TO PRESS

## Yearbook

*The problem is that when you consider the fact that there are so many activities going on in school, a multitude of photographs to take, so many names to record, and a variety of interests involved, powh, bam, smash, we run into conflicts.*

*No doubt about it, from the start our staff ran into conflicts, differences of opinions and discussions over what would be our theme. How do we display senior activities? What would be the basic layout of our yearbook? With deadlines to be met and work to be done, our staff turned to Mrs. Pellegrino, Yearbook advisor for advice, expertise, and consensus of opinions.*

*Amazingly enough, the work did get done, deadlines were met, and work continued with diligence and concerted effort. Mrs. Pellegrino acknowledged that the task was not easy. "My job," she said, "was to make the staff aware that a yearbook should be a history of the total environment at East Side High School." "Our aim," she continued, "is to create an innovative yearbook based on the Columbia Scholastic Press Association guidelines which are an established criteria for yearbooks nationwide. It is our goal to prepare and present a yearbook that all seniors will enjoy and appreciate. A yearbook that will photographically portray life and activities at East Side High School in 1981." Okay staff! Let's go to press.*

Mickey Santiago, Margaret Lavin, Denise Caceres, Josephine Dotro and Michele Malinowski selecting materials for use in the 1981 Yearbook.

Yearbook staff filing photos of sports activities.

Mrs. Helenmarie Pellegrino, yearbook advisor, double checks formats for use in yearbook.

Rosa Vaz, Senior Editor organizing Senior pictures.

## Camera Club

*Check your shutter-speed. What lense opening will you use? These comments can be heard at meetings of camera buffs meeting regularly with Mr. Cutrino, advisor.*

*This group is not only actively engaged in taking pictures but also in learning the technical aspects of a camera and how to take professional looking photographs. They readily learn there is more to taking a picture than just pressing a button.*

*Many students bring in their work for evaluation and discussion. These students truly believe that a picture is worth more than a thousand words.*

Jose Santos, Theresa Batista, Cathy Coccia, Rosa Matos, Mr. Cutrino, Advisor, Eurico Antunes gather around Jorge Lopes as he explains how to use the enlarger.

Front row; Frank D'Antico, Anthony Verdes, George Ruiz, Waldo Valdes, Carlos Soto, Luis Alvarado; Second row: Mr. Blasi, advisor Eloy Feleciano, Jose Seabra, Victor Rodrigues, Robert Carabalo, Manny Tavares, Paul Da Silva, Tony Campos, Juan Gonzalez

## Weight-Lifting Club

*Anyone visiting the Boys Gym during the 9th period are always greeted with sounds of grunts, heaves, groans and the explosion of air expelled from filled lungs as over 50 boys, members of the weight lifting club, go through their routines. Mr. Mario Blasi, advisor for the club, explains that the objective of this hard working group is not simply to develop muscles but to convey the importance of weight lifting as a vehicle for good health, development of strength and endurance as well as preparation for other areas of athletics. These young athletes are given proper instruction in the techniques of "pumping iron" and in addition, are motivated towards a feeling of togetherness in their mutual efforts.*

Members of the Weight Lifting Club hard at work with the new equipment.

# THE PROM — A NIGHT TO REMEMBER

*With the sound of the band, Twice As Nice, turning up for their first song and the Mediterranean Manor gailey decorated in red and white carnations, our "guys and dolls" beautifully dressed for the occasion prepared to dance up a storm.*

*As the disco and rock tunes echoed through the hall, tables were deserted, girls kicked off their shoes, and guys started to shed their jackets.*

*Through countless numbers some new, some old, we colored our world with laughter and song. It was soon over but many of us continued at after prom parties, and early morning breakfasts.*

Ana Blanco paying attention to sweet nothings whispered by Eddie Linares.

Gina Nitti and Gilmar Neto dance up a storm.

Carmen Portuondo and Mosies Rodriguez sharing a special glance.

Linda Killian and John Rudinski, showing off those new dance steps.

Dorys Quesda with Joseph Szczepanik taking time out for a quiet moment.

# OLD CUSTOMS KEPT ALIVE

## Portuguese Dance Ensemble

The Portuguese Dance Ensemble is a folkloric dance group consisting of students of Portuguese heritage. This activity was originated in order to make our students more aware of their culture, ethnic heritage and historical background.

Being aware of the positive nature of the Portuguese heritage this group looked forward to sharing this wealth of Portugal's culture, with dance presentations to the school population as well as in other areas of the city.

The dance group was started by Mrs. Maria Cardiellos in 1973. It was reestablished in 1978. This group has a fine complement of active students who perform in typical costumes of Northern Portugal and dance to the lively music of the accordian.

They have recently performed at the Newark Museum, Symphony Hall, Bloomfield College, and Montclair State College.

We are proud of our senior Portuguese folkloric dancers, Teresa Amado, Isabel Amaral, Jose Concalves, Elizabeth Martins, Carlos Alvar, Luis Santos, John Da Silva.

The entire dance group at practice before a special performance.

Partners going over routines.

Isabel Amaral and Maria dos Santos practicing special dance steps.

Maria dos Santos, Jose dos Santos going over dance routine.

## **SPORTS**

*The lessons learned through sports is a lesson learned for life. Sports at East Side are varied and numerous so that many students can participate. The playing field becomes the stage where a persons worth is judged by his contribution to the team. Efforts are not just assessed by the "win" column but more in the real achievement of the individual sacrifice and dedication exhibited by the participants. Our sports program has not only stressed competition and physical fitness but also the development of character, team work, sportsmanship, and camaraderie.*

*It is here that friendship and the spirit of brotherhood develops and grows. East Side can be proud of the many fine athletes it has produced.*

## **SPORTS**

**81**

# SOCCKER TEAM WINS CITY CHAMPIONSHIP

*Lets' hear it for our East Side High Soccer Team. This dynamic group compiled a record of 15 wins, 3 losses and 1 tie which saw the team win the City Championship, reach the semi-final of the county tournament and the section final of the State Tournament.*

*What a terrific season! Headed by seniors Manny Vaz, Luis Santos, Mario Machado, and goalkeeper Victor Santos, this dynamic team brought*

*the City Championship home to East Side High School.*

*Their play was dramatic and impressive on all fronts. Offensively and defensively they combined a team effort that allowed only 14 goals in 19 games played.*

*It was a season that was dramatic, successful, and rewarding.*

*Heads up team!*

Above: Coach Neves, giving team important pointers.

# CROSS COUNTRY TEAM EXCELS

Led by seniors Frank Melo and Jorge Lopes, our Cross Country team was outstanding in their track meets this year. These long distance runners scored outstanding victories which established our school team as superior competitors. We extend our accolades to all these fine athletes that established a record of achievements that included; City Championship, Essex County Championship, first place in the Ridgewood Invitational, third place in the Essex Catholic Invitational and State Sectional Championship, 4th place in the Shore Coaches Invitational and 5th place in the State Group Championship.

In all competitions these fine trackmen established a "best finish ever", achieved by an East Side High team.

This total team effort was made possible by runners like Frank Melo, Jorge Lopes, Fausto Ferreira, Carlos Esteves, Joe Ruela, Carlos Lopes and Manny Costa.

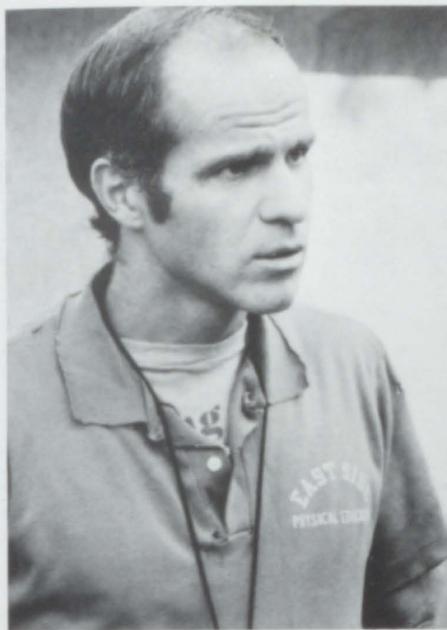

A fine record, congratulations.

# A SPIRITED TEAM EFFORT

*The 1980 football season was a long, hard and difficult one.*

*Our team did not have a spectacular season of wins but our losses on the field were made up in a large measure by dedication, enthusiasm, hard work, desire and spirit exemplified by the East Side High Football Team who gave it their all and played every team on the schedule tough.*

*These young athletes pushed the opposition to the maximum, held Weequahic High to a scoreless tie, fought Malcolm X, Shabazz and Barringer High till the last whistle of the game.*

*We are proud of these young athletes who showed school and team spirit all season long.*

# SPIRIT AND DRIVE HIGHLIGHT SEASON FOR BASKETBALL TEAM

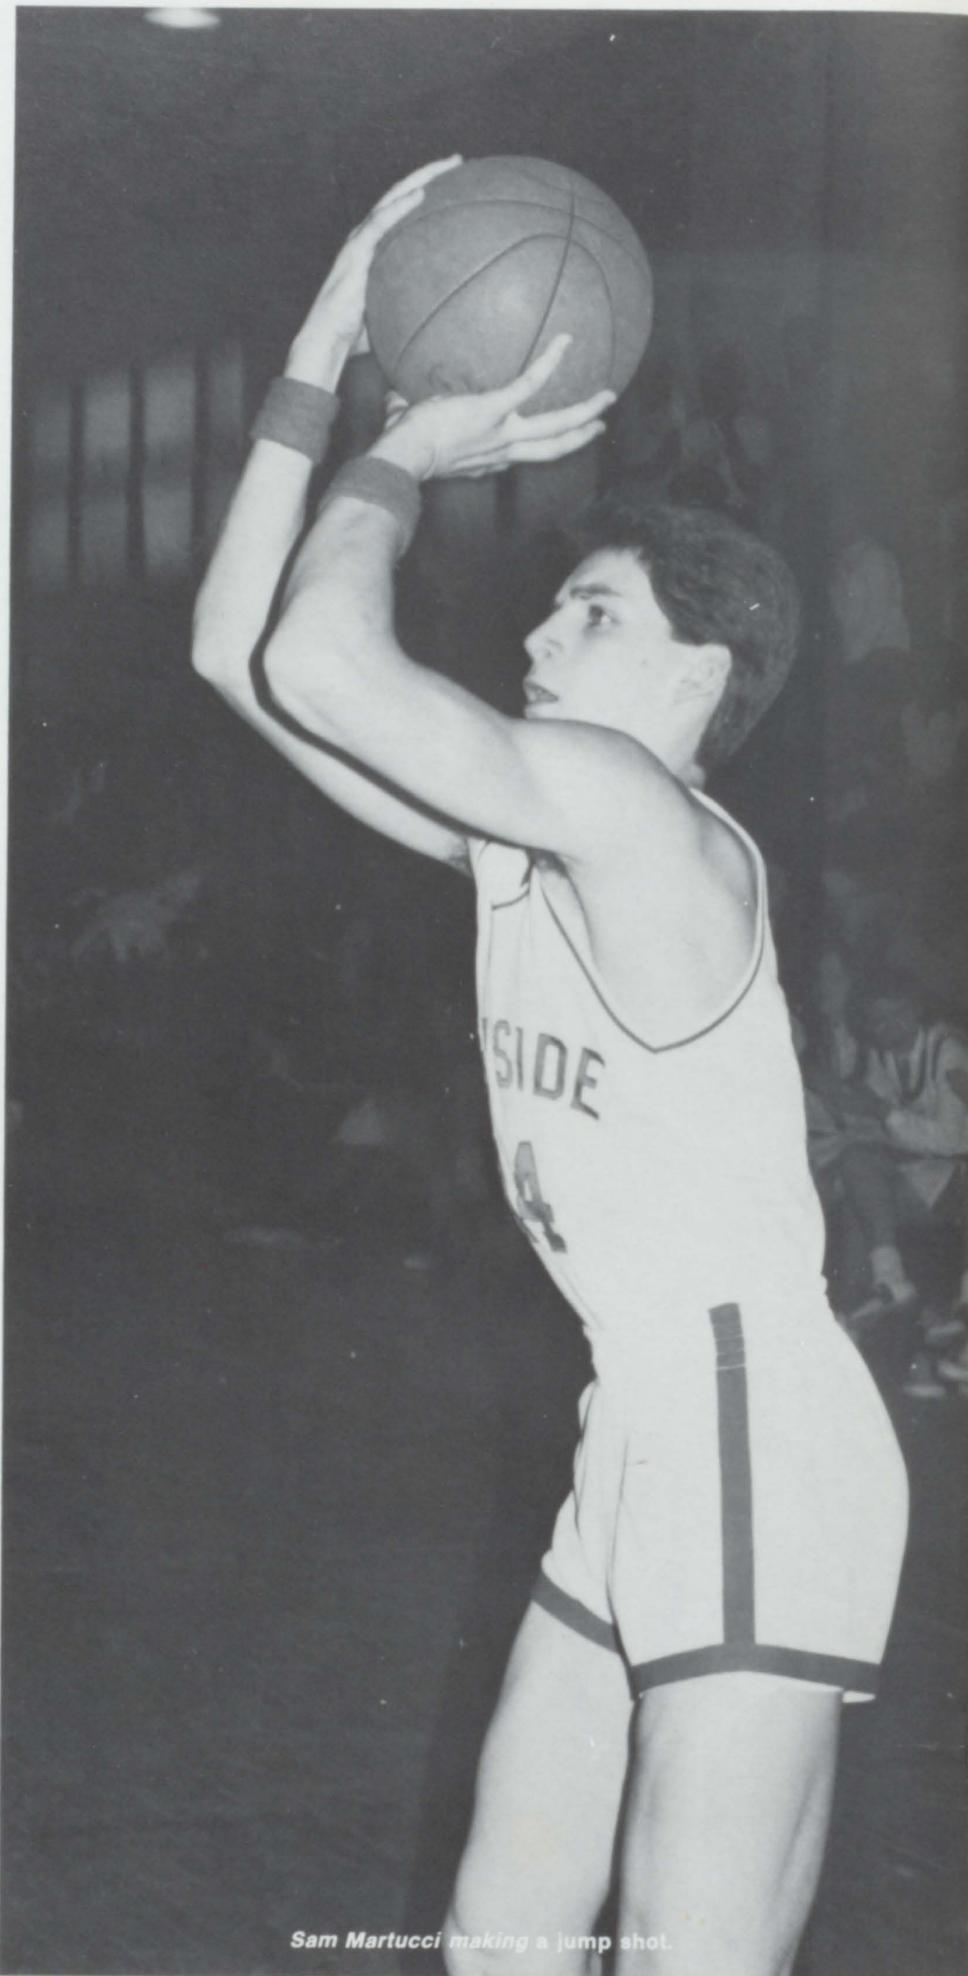

The East Side Basketball Team put forth a tremendous effort this season with the seniors exhibiting great skill and determination.

Raymond McAdams, senior and team captain, is now being pursued by many colleges. His height and 17 point game average, were notable assets to the team's performance.

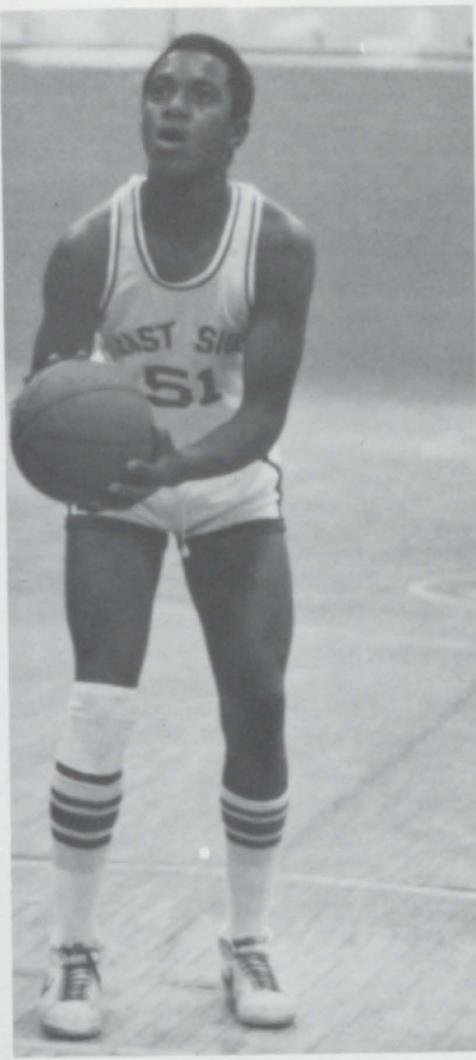

Sam Martucci, also a senior, was the teams best free-throw shooter averaging 9 points a game.

Besides averaging 12 points a game senior Marcel Godfrey, also led the team in assists.

Every team has a member who supplies it's spark. This year that member was senior, Andrew Phillips who kept spirits up through many long, hard games.

# GIRL'S BASKETBALL TEAM SHOWS SPIRIT

The East Side Girl's basketball team, won only one game this season, but they played with the spirit and determination of winners. Felishia Washington, the teams Most Valuable Player, finished the season with a total of 353 points and an average of 25 points per game. Valerie Sommers and Marchele Scott, both seniors, played exceptionally well, averaging 9 points each per game. Doreen Keifrider, the senior Rookie of the Year, also played well. Her defensive game improved greatly as the season progressed.

Shelby Crews, a senior and the Most Improved Player, finished the season with an average of 4 points per game. Her defensive game came alive when East Side played Central and she pulled down 30 rebounds and stole the ball 4 times from the Central offense. Carol Dixon, also a senior, and Teresa Brown, a junior, gave added support to the team with their contribution of 6 and 10 points.

All the girls are looking forward to becoming a winning team next year. The determination and willingness are there. Good-luck.

# MAT-MEN SHOW REAL PROMISE

The 1980-'81 Raiders wrestling season was highlighted by some strong individual efforts, especially by the Seniors.

Rick Rodriguez wrestled the entire season at the tough 122 lb. class, coming with 5 hard-fought victories.

Cesar Ospina came on strong after a late start, registering 5 wins. Includ-

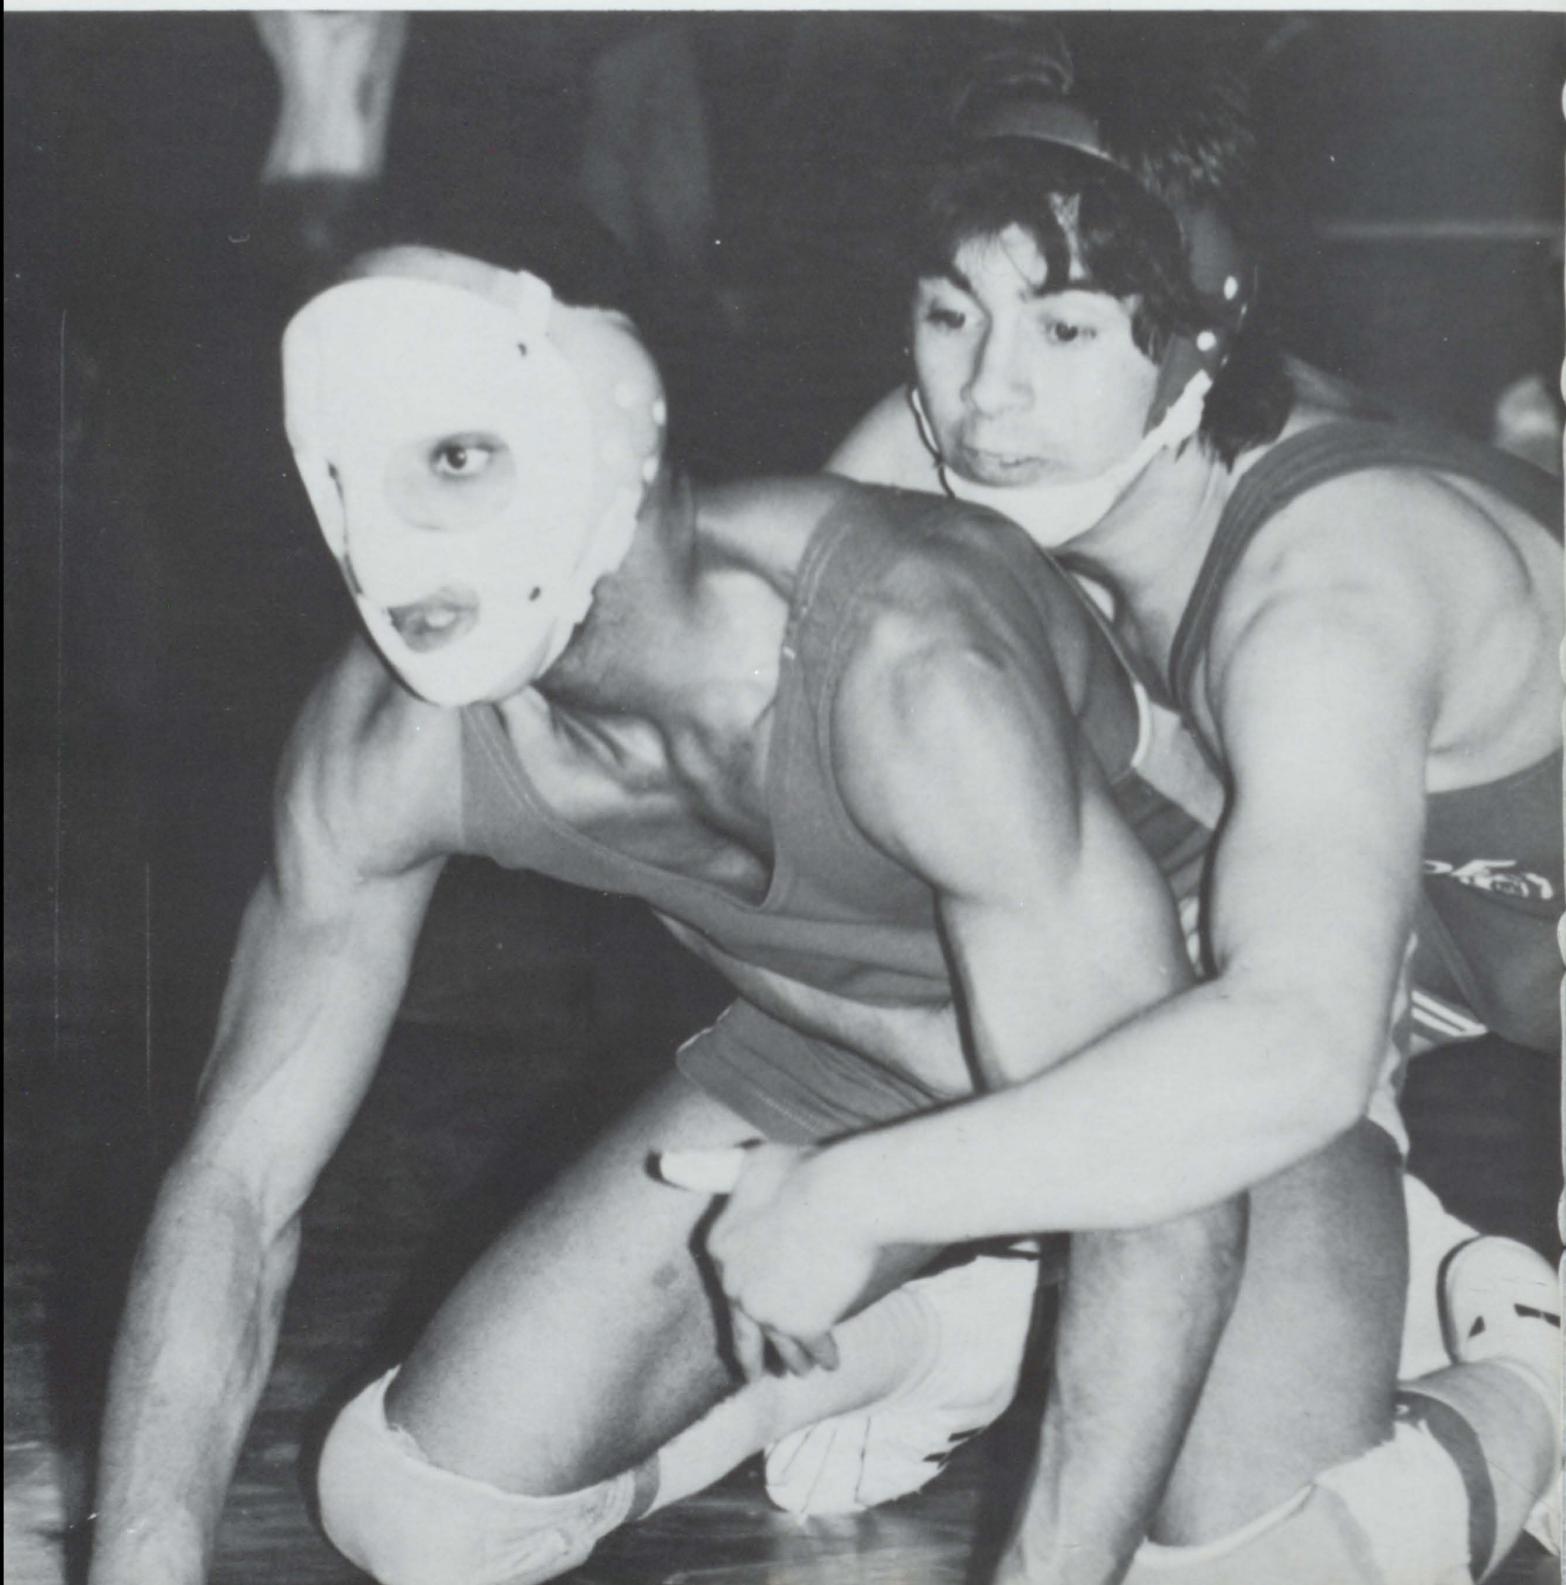

ed in these were impressive 3rd place finishes in both the City and District Championships. Co-captains Fermin Mendez and Darius Webster had outstanding years, both winning 14 matches.

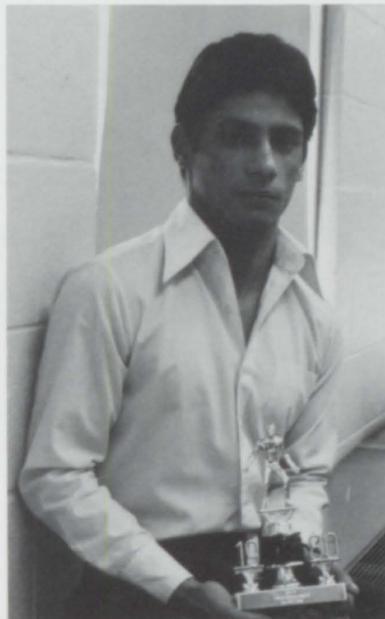

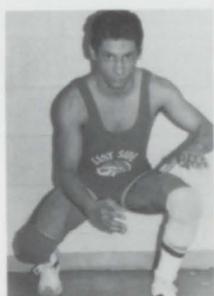

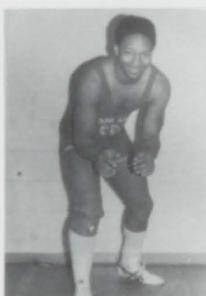

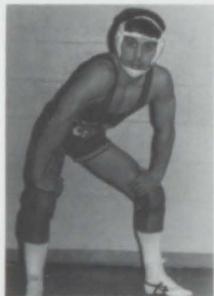

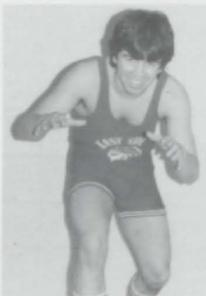

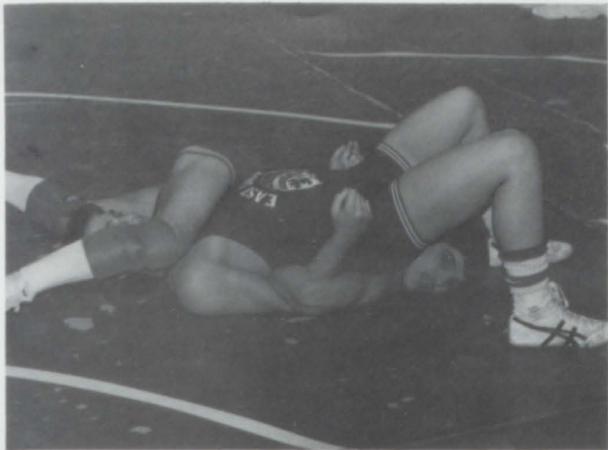

Darius Webster improved on his 3rd place City trophy with a silver medal performance in The Districts.

We are proud of this group of enthusiastic and talented athletes. Pin them to the mat, guys.

# INDOOR TRACK SEASON SHOWS SIGNS OF GROWTH

The future for our indoor track team looks bright. Coach Ollie Dickerson has been working hard with a team made up of predominantly sophomores and juniors. He is optimistic that with hard work, devotion and practice this group of athletes will bring home trophies for East Side.

Quality runners like Jorge Lopes, Joe Ruela, Fausto Ferreira, Kim Jordan, Isabel Costa, and Ana Dos Santos have provided the spark that promises success for our indoor track team.

# TENNIS TEAM SHOWS PROMISE

Luis Santos going for a forehand volley.

East Side supported a very respectable 8-6 record, although 1980 was considered to be a rebuilding year.

Manny Pimental and Marcos Franco, both sophomores, played exceptional singles tennis. Marcos ended with a 6-2 record and cornered a very tough second singles victory with undefeated Vailsburg. Manny enjoyed a fine season, and finished with an exceptional 6-1 record.

The key to the 1981 campaign, however, lies in the improvement of our doubles players. Roger Soares and Luis Santos were our first team doubles. They ended with a 3-5 record, but came on strong to win their last 3 matches. Also, credit must be given to Tony Loureiro and Victor Cardiellos. Tony's strong net play and Victor's baseline strategies helped to produce a respectable 5-3 record in third team doubles competition. If this area progresses as expected, EAST SIDE could be looking towards a City Championship.

# INJURIES SPOIL PROMISING YEAR

Injuries to our ice hockey team interfered with what started out as a strong possibility of a winning season.

Captain Rudy Blozen injured during the December 12, 1980, game was out of action for 7 games but he still managed to finish 3rd in league scoring. The team played some games with only 7 available men, while opposing teams skated a healthy 20 men. Our determined team hung in for every game but fatigue would take over by the last period. Undaunted, our own Alan Gerlitz led the league in scoring with 40 points with a super 22 goals and 18 assists. We foresee a good hockey season next year barring any injuries to the players.

# BOWLING TEAM IN CITY COMPETITION

Our East Side bowling team finished 5th in the city this year in comparison to 8th over the previous year. The team's effort was sparked by some fine bowling by 8 senior members of the team. Led by Captain Troy Jackson, who had a series high of 537, and Gerald Verdi, right behind with a series high of 510, the team won 26 games and lost 28. Coach Steele sees promise for a good year. Hit the pocket, team.

*These are final statistics of Senior bowlers*

	Average	High Game	High Series
Troy Jackson	150	209	537
Gerald Verdi	139	216	510
Kemp Harris	141	178	424
Ethel Robinson	124	161	408
Susanne Oliviera	118		
Edward Alexander	112		
Sonja Arce	97

# BASEBALL TEAM ADVANCES TO STATE FINALS

For the first time in East Side history our baseball team advanced to the Group 3 State Finals. In order to reach this position the team had to defeat four top teams, Pequannock, Clark, Summit and Westwood. Unfortunately, they were defeated in the final game by Lakewood. Outstanding records were produced by pitcher-outfielder Felix Suarez and pitcher-first baseman Sam Martucci.

Suarez had a 5-0 pitching record with a shut out of Paterson East Side and a super win over Barringer. Felix struck out 47 batters in 40 innings, batted .333 and was selected to the 3rd team All County and All State. Martucci was equally outstanding by defeating Irvington 4-3, Elizabeth 7-3, and a 10 inning tie versus Essex Catholic. Sam's fielding at first base and hitting helped in many games. Holding down the infield with great defensive plays were shortstop Osvaldo Rebozo, Julio Lock at second base and Richard Miller third baseman who swings a mean bat.

Pitcher Jose Sanchez put out plenty of fires as a relief pitcher and covering home plate was Jose "Pepe" Fernandez with some great throws to catch advancing baserunners. A great season guys!

# GIRLS SOFTBALL TEAM PLACE 2ND IN CITY LEAGUE

Our East Side High Girls Softball Team completed its 1980 season with a record of 8 wins and 10 losses. These young athletes compiled an 8 and 4 record in the City League giving them a second place finish.

Only a 15 to 14 loss to Vailsburg and a 10 to 9 loss to West Side prevented them from taking the title.

Although the team started out poorly, changes in line up and positions soon produced positive results. With Marchele Scott, at 2nd base, Sonia Arce, left field, and Andrea Capuano, catcher batting over .500 the team was sparked to delivering key hits at the right time.

Any pitcher will tell you that a team is made up of 9 players and having Leola Harrington in right field, Teresa Gonzalez in center field with steady Maria Sheldon, at 3rd base and Cecilia Mota at shortstop helped to give confidence to the team. A flawless performance by Heddy Bartell at 1st base and an awesome hitting record by designated hitter Sheila Houie made pitchers Mary Coogan and Carol Dixon feel a little more comfortable. Overall, it was a successful season.

## **SENIORS**

*When we first entered school we thought of it simply as a structure where one goes in empty headed and comes out with a body of learned facts. But at East Side High we soon found out that the definition did not quite fit. Here we found an institution of learning, but learning about life and not merely plain facts. We had the opportunity to form close relationships with our fellow students and with teachers that presented life experiences more fully and in a manner that made us more aware of our self-worth.*

During these past four years we have developed our own characters, and individuality which we now take out into the world. So now, as seniors, we are open to explore the new world that surrounds us. We accept the challenge.

81

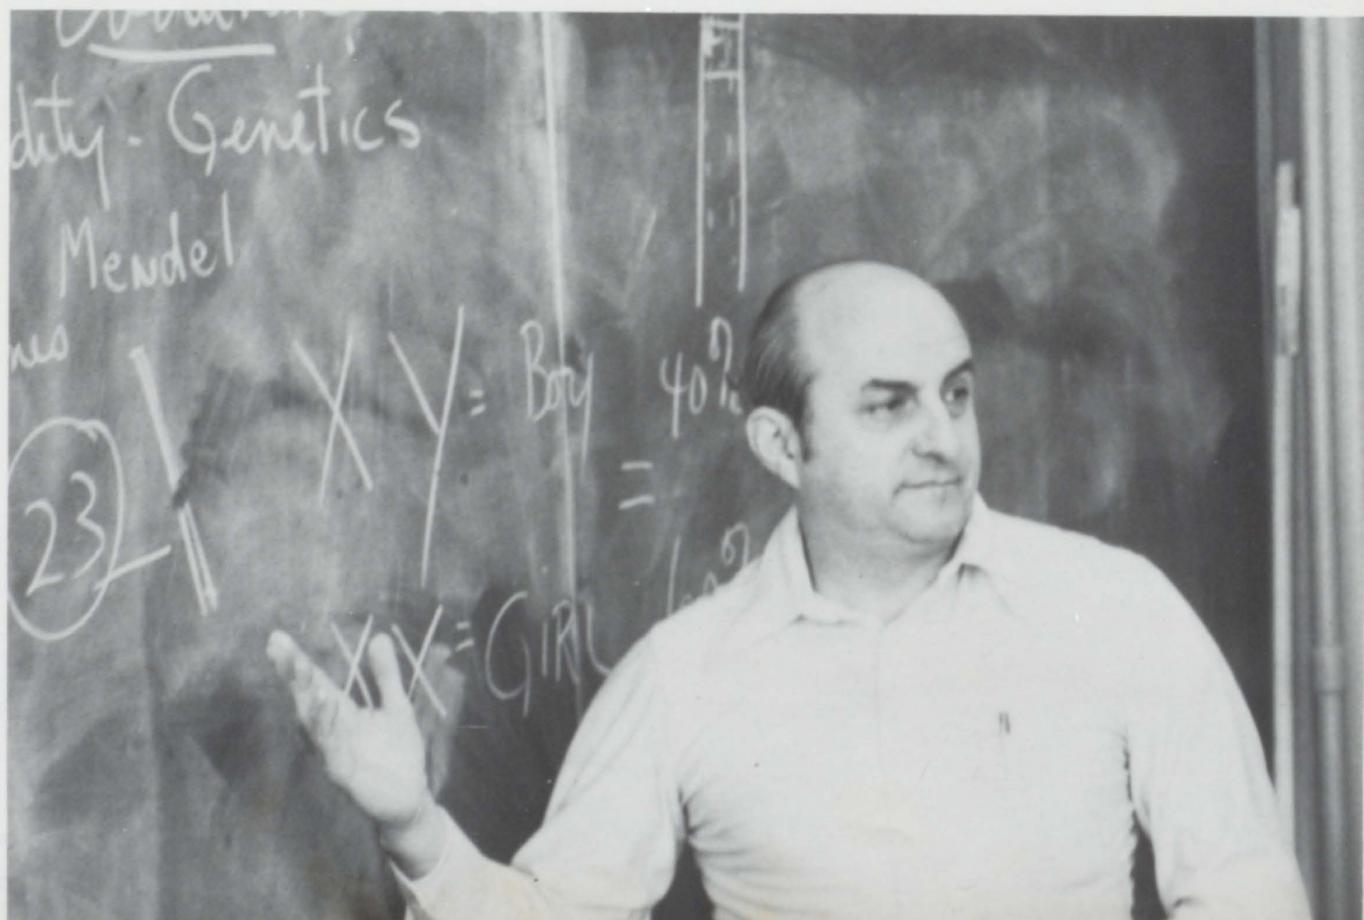

# MR. CHILL SENIOR CLASS ADVISOR

The Senior Class of June 1981, wishes to extend its sincerest thanks to Mr. Leonard Chill, senior class advisor whose friendly smile, enthusiasm, and wisdom made this year a happy and fruitful one. His genuine interest in our welfare and his consistent efforts on our behalf have endeared him to all of us. We extend our respect, and our lasting thanks to a fine person who will long be remembered for his guidance and friendship.

## SENIORS IN PROGRAM AT NEW JERSEY INSTITUTE OF TECHNOLOGY

Front Row: Sergio Santas, Anthony Soares, Eugenio DaCruz, Fidel Munoz, Maria Gandarez. Second Row: Antonio Barbosa, Eddie Moraes, Danny Rosa, Raul Pinho, Manny Costa, Mario DeOlivira, Oswaldo Barbosa.

A number of our seniors were involved in a program initiated by the New Jersey Institute of Technology to develop interest by students in the Newark School District in areas of science, mathematics and communication skills.

N.J.I.T. used its resources to make students aware of what is involved in preparing for technical careers.

A series of mini-lectures were developed on their campus and in the schools science classes to increase knowledge and awareness of the needs and skills necessary to become involved in these highly technical areas of learning.

## **VICTOR ARANJO WINNER OF ANNUAL STATE WIDE POETRY CONTEST**

Our congratulations to Victor Aranjo for winning the 3rd Annual State Wide Poetry Contest.

The Annual New Jersey Writers Conference, invites and encourages young students to write poetry as a vehicle of expressing feelings, emotions, and ideas.

Victor's poem was published in The Best Student Poetry in New Jersey 1980. We are proud to present Victor's poem, "The Fool," for all to enjoy.

**THE FOOL**  
by Victor Aranjo  
Class of '81

Diminished, faith, failures, and fallen dreams  
Of reality have not escaped the fool.  
His laborious life responds,  
repairs, and  
Replaces those who denied his  
desires of  
Yesterday.

For he is led to an infinite tunnel leading  
To nowhere, never to be released.  
Battered, beaten, and betrayed  
clinging to Survival.  
The fool lingers mournfully through eternity.

*Stephen Anthony Drozda; Hollywood Squares, Baseball, You May Be Right, Billy Joel, The day I graduate.*

## CLASS VISITS THE CLOISTERS MUSEUM AND NEW YORK CITY

Spires of St. Patrick's Cathedral.

Mrs. Matarazzo's Honors English class visited New York City and the Cloisters Museum.

New York with its many sights, smells and places of interest was as fascinating as ever.

The highlight of the trip was the medieval castle from the ancient past. As the class made their way through halls and rooms viewing displays of tapestries, religious artifacts, and paintings, all agreed that these remarkable works of art truly made the medieval era one of charm and enchantment.

## JORGE LOPEZ WINS DRUG POSTER CONTEST AWARD

*In a contest to announce the dangers of marijuana, Jorge Lopes was awarded a trophy and cash award for his poster, Reefer Smoking: A One Way Street. Jorge, his parents, and Mrs. Helenmarie Pellegrino, his art teacher were invited to an awards ceremony held in the Superintendents' Conference Room at the Board of Education. The award was based on originality, visual appeal, and impact of message. Jorge utilized a collage of photographs he had taken to alert students to the danger of smoking marijuana.*

## MEDIEVAL FESTIVAL PRESENTED BY ENGLISH IV CLASSES

*Chivalry and Romance* are not dead. The days of the Knights and Ladies in Waiting are with us once again. All this was witnessed when Mrs. Matarazzo's English IV classes presented a Medieval dramatic romance; Sir Simon Coldheart, by Georgette Heyer. This grand event was highlighted by original costumes, created by the students, authentic Medieval food, a background of Medieval music which projected everyone into the romantic past.

Mickey Santiago and Maria Resendi dressed in Medieval costumes exchange greetings.

## PARENTS COME TO VISIT

On December 1, 1980, the parents, teachers, and students were welcomed by Mr. Anthony Megaro, principal, at Open House at East Side High School.

This was the first opportunity for teachers and parents to join together in discussing the academic progress of the students. It was a great night for parents to meet teachers, inspect the new Building B, and view many of the fine exhibits on display in the school.

Jose Santos and His Father Mr. Jack Santos discuss Jose's progress with Mr. Terler, electronics teacher.

## THE TORCH CEREMONY

*One of the outstanding events that culminates the graduation exercises for the Senior class at East Side High School is the "passing" of the Torch by the Senior class president to the Junior class officers. This moving ceremony takes on real significance for the seniors who before graduating pass on to the juniors the responsibility of carrying on the fine outstanding traditions and principles established at East Side High.*

## TROPHIES AWARDED AT EAST SIDE

This year saw our school receiving many trophies for outstanding achievements in sports and other related school and community activities. Highlighted were awards to our All City Soccer Team and a championship trophy to our Cross-Country Team.

Some of our fellow students received outstanding awards for art contests, brotherhood essay contests, business recognition, and many other awards.

It makes us all proud when our school and individuals in our student body are selected for special recognition for their efforts and achievements.

We wish to acknowledge the efforts of the faculty and team advisors for their dedication and support that makes all of these awards possible.

## CAKE SALE HELD BY SENIORS

On the night of December 11, 1980 during the P.T.S.A. open house, the Senior class sponsored a cake sale in order to raise money for Senior class activities. Mr. Chill, our adviser, and the class officers were in charge of the function. Delicious cakes were donated by Senior Homeroom Representatives which helped to make this fundraiser a success.

## WESTERN LOOK IS IN

*Most everyone wears jeans that proudly display the designer label such as, Sasson, Vanderbilt, Jordache, et al. As part of the attire many of our friends are sporting western style boots. Any day now we expect to walk out to Independence Park and see horses hitched to the trees.*

*We all admit that jeans are comfortable, easy to take care of, and they wear like iron but we do look forward to our prom when once again the girls can wear lovely dresses and gowns and our handsome partners are seen with suits. Wonder what will be in next year?*

## SENIORS MEASURED FOR CAPS AND GOWNS

This scene takes place each year as seniors line up to get fitted for their caps and gowns. Anxious sighs of relief are heard as another hurdle has been successfully completed. What we all face now is making sure our progress reports are good and that we all pass our final exams. We made it this far friends.

## EXERCISE FOR GOOD HEALTH

*Pick up any book, magazine or even the newspaper and there will be an article written by someone who has a method, a diet, an exercise to help us get trim and slim.*

Jogging is in. Cholesterol is out. Don't eat this. Stay away from food with additives. We are bombarded on all sides telling us what we can do to stay in good health. Will I be able to fit into last year's bathing suit? In our physical education classes we are told about good health practices and what exercises will help us keep our figure. Well, I'm going to start tomorrow. Right now I think I'll get a large hoagie with french fries on the side. However, I will have it with a No-Cal soda.

Keeping a slim figure.

## A SKELETON IN THE LOCKER

*Would you believe a skeleton in a locker? Don't laugh, it's true. If we were to check what is kept in our school lockers we would probably double over with laughter.*

*Talk about Mom who never throws anything away. Some of us are equally guilty. Old books, socks, an extra pair of jeans, needle and thread etc. etc. etc. I'll bet we could run a very successful flea market with the items stored away in our lockers. Well it's our personal, private storeroom. When we graduate we will leave it all to an innocent freshman.*

## PROJECTS ON OUR MINDS

During our school years we have had the opportunity to share and grow together as well as develop independently. This type of environment has always been challenging and stimulating to us because we not only relied upon our abilities but have also been able to draw upon the talents of others who shared similar problems. This relationship has made us more aware of sharing cooperatively but also made us responsible students who responded to independent thinking.

## LUNCH TIME

The Cafeteria is one of the busiest and most active places in school. With three lunch periods, all of us have the opportunity to partake of what is on the menu. The food is good, well prepared and nutritional but as some mothers would say, my child is all stomach. Many of us hit the neighborhood stores and street vendors for that extra snack. This is our most favorite time. A moment of relaxation, a moment to fill our stomachs, a time to meet with friends.

Sitting on the park bench eating those delicious chips are En-eida Da Costa, Silvia Capra, Laura Castanheira and Maria Fa-tima Rodrigues.

## A FACE IN THE CROWD

*No activity can survive without the support of our student body. All need encouragement and knowledge that efforts are being appreciated. Our teams, our individual athletes, our activities all depend upon active support from all of the student body.*

*Cheers from the sidelines, supporting comments from the spectators all lend encouragement to participants. If you are not in the act then it is nice to know you are supporting the activity. Our participation as spectators can do much to encourage our fellow students to excel. Come out and support your team.*

## COMMUNITY

Our year 1981 has been anything but consistent and even-tempered. The one overshadowing event was The Hostages being held in Iran. 1981 made us aware of earthquakes, fires, floods and famine. It brought these and more; a new president, the anguish of refugees, the violent death of John Lennon, the energy crisis, inflation and a feeling of joy and happiness with the return of The Hostages.

# IMAGES '81

## HANGING OUT

*Will any of us ever forget our favorite hang outs? How could we not recall, happily, those hours of idling the time away, talking to our friends, and sharing our plans for the future. Will we ever forget how we cut a few classes to sit on the bench in the park on a nice day. We will always remember Teixeira's Bakery for coffee and buttered rolls, Pat's Pizzaria for an Italian hot dog and Ali's for some ice cream. We count ourselves fortunate to have enjoyed these experiences and will remember, fondly, our neighborhood hang outs.*

Above: Our favorite corner store. The bakery on Pulaski Street.  
Below: The "in" spot in the park.  
Right: Everything you might need.  
Below: The best place for subs.

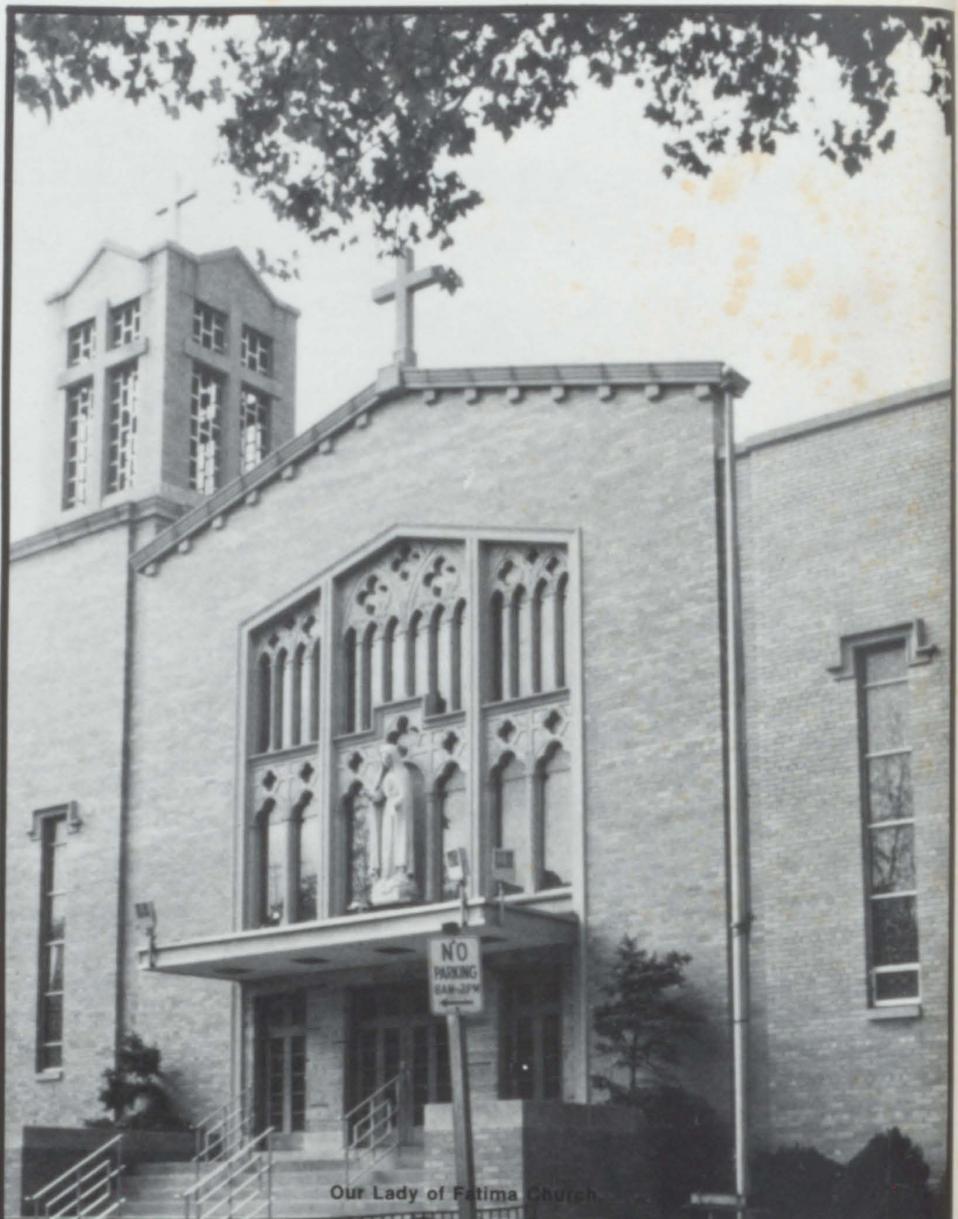

# THE IRONBOUND: A NEIGHBORHOOD THAT WORKS

As we reflect the future that lies before us there are moments when all of us get a little emotional and sentimental about this area where many of us were born. Most people call this area the Ironbound section of Newark. We like to think of ourselves, proudly, as "Down Neckers". While walking through our narrow, clean streets with its neat, compactly built homes, we ponder over the many thousands of immigrants from Germany, Ireland, Italy and now more recently Portugal who have settled here and helped maintain our neighborhood with all its charm. The Ironbound has changed little, although a twinge of regret hits us when we recall the knocking down of our old St. James Catholic Church.

*Change is inevitable* but we wish to remember, fondly, those many familiar sites that we grew up with and made our neighborhood attractive and distinct.

The remains of St. James Catholic Church.

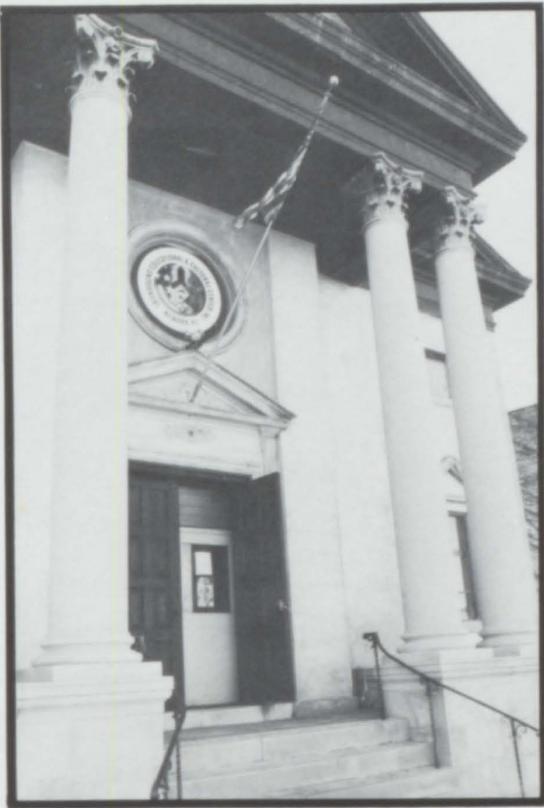

Our Lady of Fatima Church.

A memorial on Ferry Street.

Ironbound Educational and Cultural Center.

A glimpse of busy down-neck.

# A GOURMET'S DELIGHT: INTERNATIONAL NIGHT

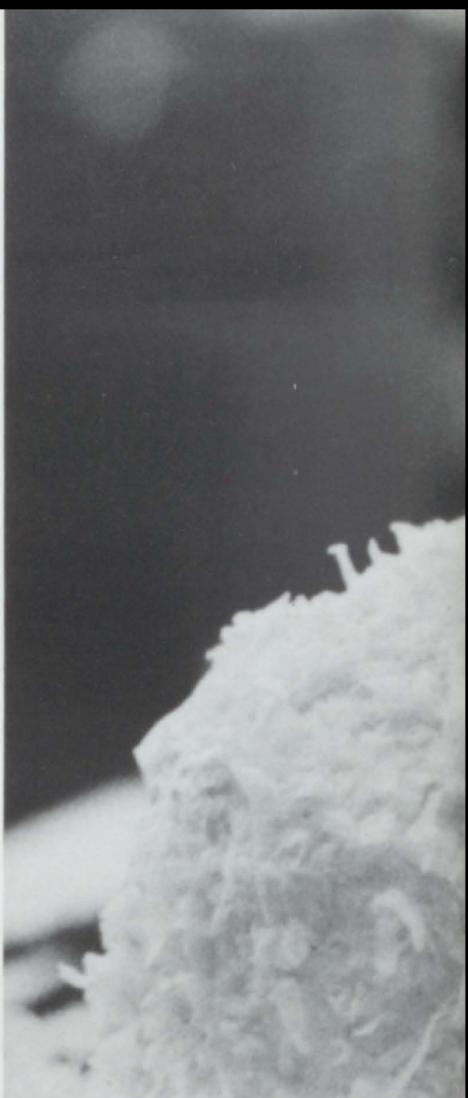

There is one event that we all look forward to during our school year. This event is International Night. When the date for International Night is announced, everyone begins to visualize exotic foods from all over the world prepared and presented for all to enjoy.

On this night parents, teachers, and students all participate in preparing a favorite dish from their cultural ancestry for all to taste and compare. One of the outstanding national dishes is prepared by our Polish parents and students.

This area is quickly surrounded by all who enjoy the taste of Polish culinary delights. Favorite among this group is the Swieconka tradition. We thought you would enjoy an explanation of what is signified and how it was celebrated.

Easter is one of the happiest days in Poland. After observing the 40 day penitential season of Lent, everyone is more

than ready for a feast. A buffet is laid out. The table is set with the best linen. There is no set menu. The buffet may be as large or as small as one wishes. Usually, there is at least baked ham, kielbasa or sausage, bread, butter, farmer cheese, babka, salt and the traditional Easter relish of beets and horse radish. The decorated, colored, hard-boiled eggs, the symbol of life, are cut and shared with all visitors in an exchange of good wishes. In the center of the table is the Paschal lamb, the symbol of the Son of God, made of sugar, butter or babka or cake dough. The lamb often holds a Polish flag as a standard of victory over death. It is called the Swiecone or Swieconka because the priest visits the home and blesses the food. To this day in Polish communities on the Saturday before Easter, the priest either visits the home to bless the food or the food is packed in baskets and brought to the church to be blessed.

Foods on display

Top: Swieconka, Paschal Lamb the traditional Polish delight.

During this year in preparation for our Yearbook we have received much help and many kindnesses from a large number of people. Lacking the support of these people, it is safe to say that our task would have been more difficult.

We thank them for all their help, consideration, and patience.

We are especially indebted to Mr. Anthony Megaro for his very strong support; Mr. Angelo Sena for his encouragement; Ms. Bette Domigan whose proofreading assistance was most valuable; Mr. Leonard Chill for his co-operation; Mr. Raymond Kirschbaum for his artistic talents; and Mr. Lou Esposito for his cogent advise with layout and design.

We extend special thanks to those faculty members who were most helpful in providing information and documentation for student activities.

Our gratitude would not be complete without mention of Ms. Shirley Vetter, Mr. Gregory Costich and Mr. Rudy Lopes from the Lorstan-Thomas Studios for their valuable assistance and interest.

The 1981 TORCH was printed at the Topeka Plant of Josten's American Yearbook Company. Paper stock is 100 lb Gloss. Body copy in 10 pt Helvetica. Captions are 8 pt Helvitica. Headlines are 18 pt and 36 pt Helvetica Bold.
